Locator No: DPM-0459-CER/PP

Subject: Raised Minimum Rate for HVAC Refrigeration Specialist - Advanced

Pursuant to s.230.12, Wis. Stats., the Administrator of the Division of Personnel Management (DPM) has the authority to establish raised minimum rates (RMRs) for recruiting, hiring and retaining employees when competitive labor market conditions have been evaluated and the minimum rate is determined to be below the market rate for a class or subtitle for a classification, or when a class or subtitle for a classification has unique requirements and it is unlikely that quality applicants would be available under such conditions.

An RMR for HVAC Refrigeration Specialist – Advanced (class code 77262) of \$23.36 per hour is established effective January 21, 2018. The need for continuation of the RMR will be periodically reviewed, and it will remain in effect until an expiration date is set by DPM.

Jim Underhill, Director
Bureau of Compensation and Employment Relations
