- CLASSIFICATION AND COMPENSATION BULLETIN -

Date: November 21, 2022

Locator No: DPM-0589-CC

Subject: **REPLACEMENT BULLETIN:**
Definitions of Upward Classification
Movements for Reallocation and
Reclassification within Broadbanded
Classification Series.

The purpose of this bulletin is to define upward classification movements for reallocation and reclassification within broadbanded classification series, effective November 20, 2022. **This bulletin replaces Bulletin DPM-0524-CC dated April 27, 2020, which should be discarded.** This bulletin has been updated to remove the Executive Employment Relations classification series and add or update the Insurance Financial Examiner classification series, Ombudsman Services Specialist classification series, Employee Benefit Program Specialist classification series, and the Offender Records Specialist classification series; these changes are in schedule 07, 12, and 81.

SECTION I. APPLICABLE PROVISIONS

Section I of the Compensation Plan entitled “Pay Administration for Broadband Pay Schedules” contains references to employees’ movements to a “higher classification series level” under I, 4.10 (2), which states:

4.10 Pay on Regrade for Reallocation or Reclassification to a Classification in the Same or Counterpart Pay Range

- (2) Regraded employees, except trainees, whose positions are reallocated or reclassified to a higher classification series level within the same pay range, will receive an increase in the amount of 8.0% of the pay range minimum. **This applies only if an employee has not held, within five years of the reclassification or reallocation effective date, permanent status in class at the same level of the reclassification or reallocation.** The appointing authority **may** provide an additional pay adjustment under this section allowing for a total pay adjustment of no more than 12% of the new pay range minimum or to the minimum of the pay range, whichever is greater. However, for reallocations that do not solely involve a change in duties, such as pay range reassignments, title changes, or as a result of a survey, the increase **may** be at the discretion of the DPM Administrator. (Underlining added for emphasis.)
