SECTION 3. INELIGIBILITY DUE TO UNSATISFACTORY PERFORMANCE

Pay adjustments that have a performance contingency will explicitly state that contingency in the Compensation Plan and in this bulletin. All pilot add-ons provided under Section A, 4.39 of the 2021-2023 Compensation Plan in effect prior to implementation of the 2023-2025 Compensation Plan are terminated. This does not include the add-on for High-Vacancy Adult Correctional Institutions which is not a pilot add-on and is provided through a separate provision in Section A continuing in effect for the 2023-2025 Compensation Plan.

Many of the terminated pilot add-ons are being converted to base pay adjustments or continued as a Compensation Plan provision.

NOTE: DPM has separately sent out instructions to agencies to identify employees and supervisors ineligible for this GWA. DPM will provide the resulting list of disqualified employees to Central Payroll. Extenuating circumstances may exist (e.g., leaves of absence) that would allow a supervisor to receive a GWA even though the required performance evaluations were not completed within the mandated timeframes. For assistance with case-by-case determinations, contact the Bureau of Classification and Compensation at DOADPMCompEmploymentRelGenl@wisconsin.gov.

Classified employees will be granted the GWA prior to setting pay upon appointment for the new position. These employees will also receive an associated lump sum payment based on the GWA for all hours in pay status from July 2, 2023 to the date of eligibility for the delayed GWA.
- b. Supervisors who do not receive the GWA on October 22, 2023, per (2)(b), above, because performance evaluations for subordinates were not completed, may receive a delayed GWA. To receive the delayed GWA, all required evaluations must be completed by January 22, 2024. The GWA will be effective the first pay period following completion of all required performance evaluations, with no retroactive pay or lump sum payment for the delay.

D. Amount. Each eligible employee will be granted a GWA in an amount equal to 4.0% of the employee's base pay rate immediately preceding the GWA, subject to the new October 22, 2023, pay range maximum as noted in (2)(c) above.

E. Ineligibility Due to Performance. Any employee who is not eligible to receive a GWA because of unsatisfactory performance must receive a written notice that states the extent to which the employee's performance has not met management's expectations. This notice must also include management's recommendations for performance improvement.

 - b. The employee did not receive the full GWA amount (i.e., 4.0% of base pay rate) because of the pay range maximum limitation.
3. **Amount.** The amount of an employee's Annualized GWA Payment is subject to the following limitations:
 - a. For employees who qualify because of the condition described in (2)(a), above, the hourly amount used in calculating an Annualized GWA Payment will equal 4.0% of the employee's base pay rate.
 - b. For employees who qualify because of the condition described in (2)(b), above, the hourly amount used in calculating an Annualized GWA Payment will equal the difference between 4.0% of the employee's base pay rate (prior to receipt of the partial GWA), and the partial GWA the employee actually received.
4. **Calculating Annualized GWA Payments.** To calculate an employee's Annualized GWA Payment, multiply the hourly amount that is appropriate for the employee, in accordance with (3), above, by 2,080. Annualized GWA Payments will be prorated for permanent part-time and seasonal employees based on the employee's budgeted percentage of full-time equivalency (FTE) status on October 22, 2023.

G. Annualized GWA Payments for Employees on Approved Unpaid Leaves of Absence. Any employee who is on an approved unpaid leave of absence (LOA) on October 22, 2023, and who qualifies for an Annualized GWA Payment will receive such payment subject to the following restrictions:

2. The employee will not receive the Annualized GWA until the employee returns to pay status.
3. The hourly amount used in the calculation of the employee's Annualized GWA Payment will equal the amount determined under E., above.

H. Lump Sum for the Delay in Implementation of the Compensation Plan

1. **Granting Date.** The lump sum will be paid as soon as administratively feasible after the effective date of the Fiscal Year 2023-24 GWA.

3. **Amount.** Each eligible employee will receive a lump sum payment calculated as the amount of the GWA increase, plus any increase needed to raise the employee to the new pay range minimum, multiplied by all hours in pay status from July 2, 2023, to October 22, 2023. The lump sum will include adjustment to premium pay paid.

- The pay range minimum for 06-05 to match the LPN progression structure minimum.
- The minimums and maximums of attorney pay ranges are increased by \$8.76 to match the recent increases approved for certain attorneys, with the intent to keep all attorney pay ranges aligned.
- The appointment maximums for pay schedule 14 are set farther through the ranges.
- The pay points in the pay schedule 14 entry level progression are increased by the GWA plus 10% to match the engineering-related market increase.
- Pay progression structures are increased to match market adjustments.
- The process for calculating ESG schedules.

SECTION 51. ADJUSTING PAY OF LIMITED TERM EMPLOYEES (LTEs)

The provisions described in A., B., and C., below, are not new provisions, but are provided here for informational purposes. Paragraph D. provides the timeline for submitting LTE pay change requests to Central Payroll.

Therefore, when the pay ranges are increased on October 22, 2023, LTEs that were previously paid the maximum allowable LTE rate may have their pay rate increased at any amount up to the new maximum allowable LTE amount, at the discretion of the appointing authority. If any such increases are awarded, they need not be effective on October 22, 2023. (See Section D, 3.01 to 3.03 of the Compensation Plan.)

In two special situations, LTEs may have their pay rates adjusted on the same date and by the same amount as a GWA, in accordance with Section D, 3.05 (2) or (3) of the Compensation Plan:

1. The LTE was hired above the pay range minimum because the employee had eligibility for “return to previous level,” reinstatement eligibility, or restoration rights to the applicable permanent classification and the duties of the LTE position is related to those of the previous permanent position.
2. The LTE was hired above the pay range minimum because the LTE is also a current classified permanent employee, and the duties and responsibilities of the LTE position are related to those of the permanent position.

- B. LTEs not eligible for pay increases.** An LTE hired above the minimum of a broadband pay range using broadband pay on appointment flexibility is not eligible for a pay adjustment for the duration of the appointment, except that if the broadband minimum increases to exceed the pay rate of the LTE, the pay rate of the LTE may be increased to the new minimum.
