Subject: Revision to Maximum Reimbursement for
Lodging in High-Cost Out-of-State Cities –
Effective January 1, 2026

The purpose of this bulletin is to notify agencies of a revision to a provision of bulletin DPM-0649-CC/TSA dated September 23, 2025. Specifically, the first sentence of the bulletin which states “The approved Travel Schedule Amounts include provisions to establish lodging rates in excess of \$98 per night for certain out-of-state cities” only applies through December 31, 2025. Effective January 1, 2026, the approved Travel Schedule Amounts have been revised to include provisions to establish lodging rates in excess of **\$101 per night** for certain out-of-state cities not included in the list of “High Cost Out-of-State Cities” (as published in DPM-0649-CC/TSA).

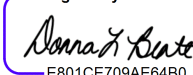

This means that the maximum lodging rate for cities not identified or otherwise authorized is **\$101 per night**; all other policy in DPM-0649-CC/TSA remains unchanged.

This revision is made to reflect the January 1, 2026, increase to in-state rates in the 2025-2027 Compensation Plan.
