Classification Structure Modifications for May 15, 2005

Pursuant to s. 230.09(2)(am), Wis. Stats., the Director of the Office of State Employment Relations (OSER) shall "...establish, modify or abolish classifications as the needs of the service require." The Director has delegated authority to create classifications used exclusively by the University of Wisconsin Hospital and Clinics Board (UWHC) to the Board. In accordance with the collective bargaining agreement between the UWHC and the Wisconsin State Employees Union, the effects of classification changes including the compensation structure must be negotiated between the parties. These parties have recently successfully completed negotiation of the compensation structure and related matters and the Director of OSER is publishing the new classifications associated with that agreement. Regardless of the actual notification date to employees, the **effective date is May 15, 2005**, unless otherwise stated.

1. Publish notice, on behalf of the University of Wisconsin Hospital and Clinics (UWHC), of the creation of the classification structure for positions employed by the UWHC Board, as negotiated between the UWHC and the Wisconsin State Employees Union, **effective May 15, 2005**. Use of these classifications is limited exclusively to the UWHC and the specifications will not be posted on the Office of State Employment Relations' Web Page, although the titles will appear in a section of the Alphabetical Listing of Classifications devoted exclusively to UWHC classification listings. Questions regarding the coding structure, pay range assignment or affected positions may be directed to John Wiesman, UWHC Compensation Analyst, at (608) 262-9604 or via email at jm.wiesman@hosp.wisc.edu.
2. Abolish classifications used exclusively by the UWHC **effective May 15, 2005**. These classifications have been used exclusively by the UWHC and are no longer needed. Questions regarding abolishment of these classifications may be directed to John Wiesman, UWHC Compensation Analyst, at (608) 262-9604 or via email at jm.wiesman@hosp.wisc.edu.
