*DIVISION OF MERIT RECRUITMENT AND SELECTION BULLETIN*

**Date:** June 25, 2006

**Locator No:** OSER-0107-MRS/SC

**Subject:** Miscellaneous Classification Plan Changes as a Result of **Wisconsin State Employee Union (WSEU) - Blue Collar (BC) Contract Bargaining** and the **Facilities Repair and Maintenance Survey** and **Stores and Warehouse Operations Survey**

Pursuant to s. 230.09, Wis. Stats., the Director of the Office of State Employment Relations (OSER) has approved the classification plan changes identified in this bulletin. Regardless of the actual notification date, the **effective date is June 25, 2006** unless otherwise stated. Pay processing will be in accordance with the pay administration provisions in the applicable collective bargaining agreement.

**NEGOTIATED PAY RANGE REASSIGNMENTS WITH THE WSEU-BC BARGAINING UNIT**

- 1) *Reassign the pay range, effective June 25, 2006*, for the classifications of **Automotive/Equipment Technician-Developmental, Automotive/Equipment Technician-Entry, Automotive/Equipment Technician-Master, Automotive/Equipment Technician-Senior, Custodian, Custodian-Lead, Gardener, Greenskeeper, Groundskeeper, Laborer, Motor Vehicle Operator-Heavy, Motor Vehicle Operator-Light, Research Gardener, and Seamer 2** due to negotiation of the 2005-2007 contract between the WSEU-BC Bargaining Unit and the State of Wisconsin. Reallocation notices will be automatically processed by DOA Central Payroll and/or University of Wisconsin Payroll, and distributed to employees with the July 20, 2006 pay checks. Questions may be directed to Leean White at (608) 267-0344.

**IMPLEMENTATION OF THE FACILITIES, REPAIR AND MAINTENANCE PERSONNEL MANAGEMENT SURVEY**

The Facilities Repair and Maintenance Survey was conducted as a result of concerns regarding the outdated technology and job duties listed in the classification specifications, as well as multiple levels within the specifications. Separate classifications were found to be necessary and the levels within them were simplified. Classification specifications were updated and pay range schedule assignments were determined through contract negotiations between WSEU-BC and the State of Wisconsin.

- 2) *Abolish* the classifications of **Biotron Operator, Facilities Repair Worker 1, Facilities Repair Worker 2, Facilities Repair Worker 3, Facilities Repair Worker 4, HVAC/Refrigeration Specialist, Maintenance Mechanic 1, Maintenance Mechanic 2, Maintenance Mechanic 3, Maintenance Supervisor, Natural Resources Equipment Operator, and Tugger Coordinator, effective June 25, 2006**, and *CREATE* the classifications of **Facilities Maintenance Specialist, Facilities Maintenance Specialist-Advanced, Facilities Repair Worker, Facilities Repair Worker-Advanced, Heavy Equipment Operator, HVAC/Refrigeration Specialist, and HVAC/Refrigeration Specialist-Advanced**. Reallocation notices will be automated by DOA Central Payroll and/or University of Wisconsin Payroll, and distributed to employees with the July 20, 2006, pay checks. Questions may be directed to Stacie Meyer at (608) 267-1013 or Tim Borchert at (608) 266-3381.
- 3) *Modify* the **Buildings and Grounds Superintendent, Building and Grounds Supervisor and Power Plant Operator – In Charge** classification specifications, **effective June 25, 2006**, to remove references to Maintenance Supervisor and modify representative positions as a result of the Facilities and Maintenance Survey. The Power Plant Operator – In Charge classification added an allocation for power plant

maintenance lead work with back-up in-charge duties. Reallocation notices are not necessary for these actions. Questions may be directed to Stacie Meyer at (608) 267-1013 or Tim Borchert at (608) 266-3381.

**IMPLEMENTATION OF THE STORES AND WAREHOUSE OPERATIONS PERSONNEL  
MANAGEMENT SURVEY**

The Stores and Warehouse Operations Survey was initiated due to concern for the low compensation and inadequate class specifications used to fill these positions. Concern regarding progression among levels was raised. The agencies expressed concern for internal pay equity among the majority of the occupational areas. Many of these concerns focused on the comparability of state compensation between similar classifications within the classified civil service. As with other surveys conducted this past year, separate classifications were found to be necessary but the levels within them were simplified, classification specifications were updated and pay schedule assignments were recommended.

- 4) **Abolish** the classifications of **Corrections Stores Supervisor, Lottery Storekeeper, Material Distribution Supervisor, Records Center Clerk, Records Center Supervisor, Shipping and Mailing Clerk 1, Shipping and Mailing Clerk 2, Shipping and Mailing Clerk 3, Shipping and Mailing Program Supervisor, Shipping and Mailing Supervisor, Stock Clerk, Storekeeper, Stores Supervisor, and Warehouse Supervisor effective June 25, 2006**, and **CREATE** the classifications of **Inventory Control Assistant, Inventory Control Coordinator, Inventory Control Coordinator-Advanced, Inventory Control Supervisor, and Shipping and Mailing Associate, Shipping and Mailing Associate-Advanced, and Shipping and Mailing Supervisor**. Reallocation notices will be automatically processed by DOA Central Payroll and/or University of Wisconsin Payroll. Questions may be directed to Diane Siegler at (608) 267-0408 or Tammy Haack at (608) 266-8232.
