DIVISION OF MERIT RECRUITMENT AND SELECTION BULLETIN

Date: July 9, 2006

Subject: Miscellaneous Classification Plan Changes

Locator No: OSER-0121-MRS/SC

Pursuant to s. 230.09, Wis. Stats., the Director of the Office of State Employment Relations (OSER) has approved the classification plan changes identified on this bulletin. Regardless of the actual notification date, the **effective date is July 9, 2006**, unless otherwise stated.

- 1) **Correct bulletin language and DP Unit Code** for the **Legal Secretary Supervisor** classification announced June 11, 2006, to give direct supervision of day-to-day activities of legal secretarial functions to ensure a more direct reporting relationship. The references to the lead worker functions were not correct. No reallocation notices are necessary for this action. Questions may be directed to Toriana Pettaway at (608) 266-8434.
- 2) **Modify the Health Services Nursing Coordinator** classification specification, **effective July 9, 2006**, to reflect the need for this classification in medical service areas or on an institution-wide basis and an addition to duties which may be assigned. No reallocation notices are necessary for this action. Questions may be directed to Jennifer den Daas at (608) 266-1713.
- 3) **Modify the Human Resources Manager** classification specification, **effective July 9, 2006**, to describe positions in medium, large or major state agencies. Positions in large or major state agencies supervise other professional level human resources staff. Positions in medium state agencies may also supervise other human resources staff or function as the sole professional human resources representative for the agency. No reallocation notices are necessary for this action. Questions may be directed to Leean White at (608) 267-0344.
- 4) **Modify the Human Resources Program Officer** classification specification, **effective July 9, 2006**, to include positions in medium-sized agencies with a limited scope human resources function. References to positions in small state agencies are being eliminated due to the attachment of these administrative functional areas to the Department of Administration. The remainder of the specification language is unchanged. Agencies are reminded that this classification requires the position incumbent to be designated as a supervisor. No reallocation notices are necessary for this action. Questions may be directed to Leean White at (608) 267-0344.
- 5) **Modify the Rehabilitation Specialist for the Blind** classification series specification, **effective July 9, 2006**, to reflect the evolution of the Older Blind Grant Project to the Independent Living Services for Older Individuals. No reallocation notices are necessary for this action. Questions may be directed to Jennifer den Daas at (608) 266-1713.
- 6) **Modify the Revenue Management Supervisor** classification specifications, **effective July 9, 2006**, to add an allocation for Corporation Office Audit Supervisor and to remove the allocation for Technical Assistance Unit Supervisor. The affected agency will process reallocation notices for this action. Questions may be directed to Stephen Hermosillo at (608) 266-0714.
- 7) **Retitle and Modify** the Paralegal classification series, **effective July 9, 2006**, due to implementation of the Wisconsin Professional Employees Council (WPEC) portion of the Legal Support Staff survey. The Paralegal classification series is retitled **Paralegal and Paralegal-Advanced**. Modifications are made to the **Paralegal-Confidential and Paralegal Supervisor** classification specifications for clarification. Reallocation notices are required only for those positions whose classification is

changing from Paralegal-Objective to Paralegal and must be processed by the affected agency(s) in order to implement that change. Questions may be directed to Kris Chilsen at (608) 266-7569.
