Locator No: OSER-0169-CLR/TSA

Subject: Maximum Reimbursement for Lodging in
High-Cost Out-of-State Cities - Effective
October 1, 2007

The approved Travel Schedule Amounts for all nonrepresented employees and some represented employees include provisions to establish lodging rates in excess of \$62 per night for certain out-of-state cities. This bulletin is an update and replacement of the information contained in OSER-0155-CLR/TSA, dated December 20, 2006, which is obsolete as of October 1, 2007, and can be discarded. **The attached listing of maximum permitted amounts for lodging in out-of-state cities is effective October 1, 2007. Note that Alaska and Hawaii rates are still to be determined.**

The amounts listed represent single-occupancy rates, without reflecting discounts. Lodging rates are for single-night stays in standard rooms and **exclude** all applicable sales and lodging taxes. Employees should attempt to receive government discounts (of course, for government business only). These amounts should not be exceeded except under the most unusual or unavoidable circumstances, which must be fully justified and approved by the agency head or designated representative. (Refer to Section F., 5.00 of the 2005-2007 Compensation Plan.) However, when the lodging rate is exceeded due to taxes, the taxes shall be reimbursed without additional justification. This exclusion does not apply to international rates.

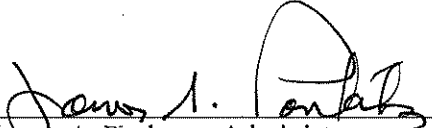

The maximum reimbursement amounts listed will be reviewed at least annually to determine whether they are adequate. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to OSER requests for review of specific rates. Publication of the next update of this bulletin is anticipated in August 2008.

The October 2007 lodging rate document will be accessible on the OSER website at <http://oser.state.wi.us/bulletins/bulletins.asp>
