Any Annualized GWA Payment will be prorated based on an employee's budgeted FTE status on July 6, 2008.
- D. Employees on Leave of Absence.** Any employee who is on an unpaid leave of absence on July 6, 2008, and would otherwise qualify for an Annualized GWA Payment will not receive such payment until s/he returns to pay status in a position in the bargaining unit during the term of the Agreement.

- C. **Amount.** The amount of the market equity adjustment, if any, is calculated by following these steps in order:

1. If an eligible employee received a base-building Discretionary Compensation Adjustment (DCA) with an effective date in the period from June 25, 2006 through June 23, 2007, while in one of the eligible classifications, the amount of the base-building DCA is subtracted from the employee's base pay rate.
2. Each eligible employee, except as noted in 3., below, will receive a base pay increase up to the target pay rate in the applicable table under 5., below, corresponding to the employee's full years of seniority as of **June 30, 2006**. Use the Senior Level table for classifications designated as Senior Level in B., above. Use the Advanced Level table for classifications designated as Advanced Level in B., above.
3. Any increase (after DCA's are subtracted per Step 1) is limited to \$2.50 per hour. An employee whose base pay rate is equal to or greater than the applicable table rate will not receive a pay adjustment.
4. No employee will receive a pay reduction under this Market Equity Adjustment. Therefore, an employee will receive the greater of the pay rate after any increase calculated after steps 1 through 3 or the pay rate immediately before this Market Equity Adjustment calculation.
5. Rate tables:
