Except as noted below, an employee who completes 24 months in pay status as a Resident Care Technician 1 (RCT) will be paid a base pay rate equivalent to the rate for the appropriate years of adjusted continuous service date in the RCT 2 structure. Pay will be effective the first day of the pay period following the date in which the 24 months in pay status is attained. In counting time in pay status, sixty (60) days will be waived per occurrence of time charged to a s. 230.36 claim or worker's compensation. Pay will continue to be based on the structure rate for an RCT 2 as long as the employee remains in the RCT 1 classification. At the time such an employee is reclassified to RCT 2, there will be no increase in pay. An RCT 1 is not eligible to be paid the RCT 2 pay rate, at the appropriate time for such a pay adjustment, if the employee is on a concentrated performance evaluation program in accordance with 4/13/1A of this Agreement.
