Subject: 2014 Employee-Required Wisconsin Retirement System Contributions

Locator No: OSER-0346-CLR

The purpose of this bulletin is to inform appointing authorities of the 2014 employee-required Wisconsin Retirement System (WRS) contribution rates based on the total required WRS contribution rates for 2014 approved by the Employee Trust Funds Board. **Appointing authorities are asked to provide this information to their employees.**

SECTION I. 2014 WRS EMPLOYEE-REQUIRED CONTRIBUTIONS

- A. State Patrol Titled Classifications Hired Prior to July 1, 2011.** Employees in State Patrol titled classifications who were already in employment status on July 1, 2011, will pay 2014 WRS contributions at 2.0% of earnings (unless changed by a new collective bargaining agreement). Employment status include employees in pay status, employees on approved leaves of absences, and employees on layoff but eligible for continuous service during the layoff period upon return to state service.

In accordance with 2011 Wisconsin Act 32, all new employees in State Patrol titled classifications hired on or after July 1, 2011 ("new" public safety employees), will pay 2014 WRS contributions in accordance with C., below.

"New" public safety employees include:

- Individuals new to state government;
- Individuals who leave state service and later reinstate;
- Individuals who were non-public safety employees and become public safety employees.

The following individuals would *not* be considered "new":

- Individuals who move within the public safety classifications from represented to nonrepresented or the reverse;
- Individuals who are restored to state service or return from a leave of absence, *only* if *both* the position last held *and* the position restored to are in one of the public safety classifications.

- B. Executive Category Employees.** The executive category employee (including elected officials) will pay one-half of the total required 2014 WRS contribution rate of 15.5%. Therefore, employees in the executive category will pay 7.75% of their earnings.
- C. All Other Employees.** All WRS participating employees in the general category will pay one-half of the total required 2014 WRS contribution rate of 14.0%. Therefore, employees in the general category will pay 7.0% of their earnings. Employees in the protective category, except employees covered in A., above, will pay the same percentage contribution as general category employees. Therefore, employee-paid WRS contributions will be 7.0% of earnings for all general and protective category employees (excluding employees covered in A., above) in 2014.

SECTION II. EFFECTIVE DATE

Increased WRS employee contributions will first be taken from paychecks dated January 9, 2014, for employees on biweekly payroll, and from paychecks dated January 2, 2014, for employees on monthly payroll.
