- 1) *Abolish* the **Records/Forms Management Specialist-Senior** classification and retitle to the **Records/Forms Management Specialist-Advanced** and *Modify* the **Records/Forms Management Specialist** (RFMS) classification series by updating the definition level to recognize advanced level positions that function as Records Management Officers and to realign the duties and responsibilities of the positions in this classification. The affected agencies will process all necessary reallocation notices to accomplish this classification action. Questions may be directed to Dianna McNall at (608) 266-8232.
- 2) *Create* the **Executive Director, Child Abuse & Neglect Prevention Board** classification for the Department of Children and Families to describe the Executive Director position in the Child Abuse and Neglect Prevention Board. No reallocation notices are necessary to accomplish the classification action. Questions may be directed to Dianna McNall at (608) 266-8232.
- 3) *Create* the **Records Program Associate** classification series as a result of Records/Forms Management Specialist Personnel Management Survey. This classification is created to differentiate positions that directly provide paraprofessional support to records/forms programs from RFMS positions that manage records/forms programs. The affected agencies will process all necessary reallocation notices to accomplish this classification action. Questions may be directed to Lynn Kirsch at (608) 266-2705.
- 4) *Modify* **Unemployment Benefit Specialist** classification series for the Department of Workforce Development to allow flexibility for employees to remain at an objective level or progress to the next level upon meeting the federal performance standards. Further modifications were to provide examples of types of work processed and amount of supervision required at different levels. No reallocation notices are necessary to accomplish this classification action. Questions may be directed to Kristina Thole at (608) 266-8434.
- 5) *Modify* **Veterinarian Specialist** classification series for the Department of Agriculture, Trade and Consumer Protection and the WI Veterinary Diagnostic Lab to remove specialized higher education requirements at the Senior and Advanced levels. This modification was to address programmatic positions at DATCP and also updates the classification specification to account for the movement of the diagnostic lab to the UW in 2000. No reallocation notices are necessary to accomplish this classification action. Questions may be directed to Nicole Rute at (608) 267-1019.
