

INTRODUCTORY NOTES

Effective Dates

This Compensation Plan is a revision of the ~~2021-2023~~2023-2025 Plan. For all employees on biweekly payroll systems, due to the delay in implementation of this Compensation Plan, the fiscal years covered will be June ~~18, 2023~~29, 2025, through June ~~29, 2024~~27, 2026, for fiscal year ~~2023-2024~~2025-2026; and June ~~30, 2024~~28, 2026, through June ~~28, 2025~~26, 2027, for fiscal year ~~2024-2025~~2026-2027. On the dates during which pay rates change, the revised rates become effective after processing of pay changes as the result of personnel transactions occurring on the same date in accordance with Section I, 4.01 of this Plan, unless otherwise noted.

Official Hourly Rate

All computations of pay rates for employees covered under this Plan are based on the Official Hourly Rate (OHR) rounded to two decimal places for both base and supplemental pay.

NOTE: When an OHR is affected by a pay adjustment, the following rounding procedures are used:

1. The computation is carried out to five decimal places and any digits beyond the fifth decimal place are dropped. If any digit other than zero appears in the third, fourth or fifth decimal column, the digit in the 2nd decimal column is rounded up.

Refer to Chapter 504 of the Wisconsin Human Resources Handbook for additional information relating to Official Hourly Rate Rounding.

INTRODUCTION

Pursuant to s. 230.12(1)(a)3., Wis. Stats., provisions governing salary transactions for classified employees, except those in the public safety bargaining unit, are contained in this Compensation Plan. Pay provisions currently contained in this Section (Section A) of the Plan include:

- Nonrepresented General Wage Adjustments
- Nonrepresented Annualized General Wage Adjustments
- Relocation Incentive Awards
- Progression Adjustments for Certain Classifications
- Pay on Survey Regrade
- Supplemental Pay
- Overtime Compensation
- Lump Sum Incentive Payments

General Wage Adjustments will only apply to employees who are not covered by a certified collective bargaining unit.

Funding. Except for General Wage Adjustments and other items as noted, any increased costs for items in Section A will NOT be supplemented under the authority of s. 20.865, Wis. Stats., and affected agencies will be required to provide the necessary funding.

1.00 Coverage

The provisions of this Section (Section A) apply to **all project employees and all permanent employees** in the classified service who are not covered by the public safety collective bargaining agreement:

- (a) A "**permanent employee**" is a person who is an employee as a result of an appointment to a position in which permanent status can be attained, whether or not the employee has attained permanent status.
- (b) A "**project employee**" is a person who is an employee as a result of an appointment to a project position under conditions of employment which do not provide for attainment of permanent status. All project employees in the classified service are covered by this Plan.

Except as provided in 4.04 (Overtime During a Declared Emergency) of this Section (Section A), project employees must receive the same overtime compensation and/or supplemental pay as permanent employees in the same class.

Each position is considered separately to determine the number of work hours for employees occupying more than one position, unless the FLSA requires that the work hours be considered jointly.

2.00 Base Pay Adjustments and Lump Sum Awards for Fiscal Years 2025-26 and 2026-27

2.01 Nonrepresented General Wage Adjustment (GWA) and Annualized GWA

(A) GWA:

- (1) **Effective Dates.** The GWAs will be effective August 10, 2025, in FY 2025-26, and June 28, 2026, in FY 2026-27.
- (2) **Eligibility.** All employees who are in pay status on the effective date are eligible to receive a GWA except the following:
 - (a) Employees represented by a certified collective bargaining unit on the effective date of the GWA, and Crafts Worker Supervisors whose pay is established based on represented craftworker employees.
 - (b) An employee whose job performance was rated unsatisfactory as a result of the most recent formal performance evaluation conducted in the 12-month period ending on the effective date of the applicable GWA.
 - (c) Supervisors who have not completed formal performance evaluations on all subordinate employees, for whom performance evaluations are required, within the 12-month period ending on the effective date of the applicable GWA. If the required performance evaluations are completed within three months of the GWA effective date, a supervisor shall be granted a Delayed GWA if the supervisor had been denied the GWA solely because of the failure to complete evaluations. The Delayed GWA will be effective the first pay period following completion of all required performance evaluations, with no retroactive pay or lump sum payment for the delay.

NOTE: Extenuating circumstances may exist (e.g., leaves of absences) that would allow a supervisor to receive a GWA even though the required performance evaluations were not completed within the mandated time frames. Contact the Division of Personnel Management (DPM) Bureau of Classification and Compensation for further assistance.

- (d) Any employee paid at or above the pay range maximum, or the new pay range maximum, if the new pay range maximum takes effect on the same date as GWA distribution. An employee who is not eligible to receive a GWA solely because the employee's base pay is at or above the pay range maximum or new pay range maximum, if applicable, may qualify for an Annualized GWA Payment.
- (e) Classified Legal and related positions (refer to Section C of this Plan).
- (f) Trainees eligible for scheduled trainee increases (refer to Section E, 1.04 of this Plan).

- (g) Any employee in a position not eligible under (a) above, who later becomes eligible and who was in employment status on the effective date of a GWA, but did not receive or was not considered for the GWA, will be granted:
 - 1. The GWA(s) or Annualized GWA(s) as provided above.
 - 2. An associated lump sum payment for all the hours in pay status from the effective date(s) of the GWA(s) provided above, to the effective date of becoming eligible.
 - 3. Any GWA(s) received under (g) 1., above, will be granted prior to setting pay upon appointment if moving to a new position.
- (h) Pay increases for employees classified as Fire/Crash Rescue Specialist, Fire/Crash Rescue Specialist – Crew Chief, and Fire/Crash Rescue Supervisor are subject to the federally-funded pay rates allowed for the duties performed. If the maximums are increased prior to the end of this Compensation Plan, pay increases occurring after the effective date of the new maximums will be subject to the new maximums.

- (3) Amount. All eligible employees will receive a GWA of 3.0% on August 10, 2025, and 2.0% on June 28, 2026. These increases are subject to the following restriction:

An employee's new base pay after application of the GWA must not exceed the pay range maximum, or the new pay range maximum if a new pay range maximum takes effect on the same date as GWA distribution. (Refer to Annualized GWA Payment provisions below.)

- (4) Ineligibility Due to Performance. Any employee who is not eligible to receive a GWA because of unsatisfactory job performance must receive a written notice that states the extent to which the employee's performance has not met management's expectations. This notice must also include recommendations for improvement.

(B) Annualized GWA Payment:

- (1) Granting Date. Annualized GWA Payments will be granted as soon as administratively feasible after the effective date of the applicable GWA above.
- (2) Eligibility. Any employee will receive an Annualized GWA Payment if either of the conditions described under (a) or (b) below, apply:
 - (a) The employee was not eligible to receive a GWA solely because their base pay was at or above the pay range maximum, or the new pay range maximum if a new pay range maximum takes effect on the same date as GWA distribution.
 - (b) The employee did not receive the full GWA amount because of the pay range maximum limitation.
- (3) Amount. The amount of the Annualized GWA Payment is subject to the limitations under (a) and (b), below:

- (a) For employees who qualify for an Annualized GWA Payment because of the condition described under (2)(a) above: The hourly amount used in calculating an Annualized GWA Payment will equal the full GWA amount (i.e., 3.0% on August 10, 2025, and 2.0% on June 28, 2026).
- (b) For employees who qualify for an Annualized GWA Payment because of the condition described under (2)(b) above: The hourly amount used in calculating an Annualized GWA Payment will equal the difference between the full amount (i.e., 3.0% on August 10, 2025, and 2.0% on June 28, 2026) and the partial GWA amount the employee actually received.
- (4) Calculating Annualized GWA Payments. Annualized GWA Payments for full-time employees will be calculated by multiplying the hourly amount determined to be appropriate for the employee in accordance with (3) above, by 2,080 for the Fiscal Year 2025-26 GWA and 2,080 for the Fiscal Year 2026-27. Annualized GWA Payments provided to permanent part-time or seasonal employees will be prorated on the basis of budgeted percentage of Full-Time Equivalency (FTE) on the GWA distribution date.
- (5) Annualized GWA Payments for Employees on Approved Unpaid Leaves of Absence. Any employee who is on an approved unpaid leave of absence as of the effective date of the GWA and who qualifies for an Annualized GWA Payment, will receive an Annualized GWA Payment, subject to the following restrictions:
 - (a) The employee must return from the leave of absence to pay status by June 26, 2027, and the employee's restoration right must be derived from a position covered by the GWA provisions of this Section (Section A), Section C of this Plan, or the employee becomes eligible under (g) of the GWA eligibility above.
 - (b) The employee will not receive an Annualized GWA Payment until they have returned to pay status.
 - (c) The hourly amount used in the calculation of any Annualized GWA Payment will equal the amount determined under (3) and (4) above.

(C) Lump Sum for the Delay in Implementation of the GWA:

- (1) Granting Date. The lump sum will be paid as soon as administratively feasible after the effective date of the Fiscal Year 2025-26 GWA above.
- (2) Eligibility. Each employee eligible to receive a base pay adjustment for the Fiscal Year 2025-26 GWA under (A.), above, or an increase to the new pay range minimum effective on the same date, is eligible for a lump sum for the delay in implementation of the GWA.
- (3) Amount. Each eligible employee will receive a lump sum payment calculated as the amount of the GWA increase, plus any increase needed to raise the employee to the new pay range minimum, multiplied by all hours in pay status from June 29, 2025, to August 10, 2025. The lump sum will include adjustment to premium pay paid.
- (4) This lump sum is provided in lieu of retroactive implementation of the GWA and therefore the calculation does not account for intervening personnel transactions.

This lump sum is a one-time payment which approximates additional wages which would have been paid if there hadn't been a delay in the effective date of the GWA. This payment is calculated based on each employee's classification, pay rate, and history of hours worked at the time of implementation of the GWA and does not confer the right for additional future adjustments if backdated changes are made to an employee's record.

2.02 Police and Warden Progression

- (1) Eligibility. All permanent and project employees in positions allocated to the classifications of Conservation Warden, Police Detective, Police Officer, Safety Specialist Warden, and Special Investigative Warden will be eligible for a base-building progression adjustment, except as follows:
 - (a) An employee whose base pay rate is equal to or greater than the amount established for the employee's time spent in the eligible classifications.
 - (b) An employee who has received an unsatisfactory performance (including those with an overall rating evaluation of "needs improvement" or "unacceptable") within twelve (12) months prior to the granting date. The denial of a progression adjustment based upon unsatisfactory performance is not grievable under s. 230.12(5)(e), Wis. Stats. Employees must be notified of the unsatisfactory performance in writing, and will receive a new performance evaluation within six (6) months. The written notification(s) will include:
 1. Details of each occurrence of unsatisfactory performance;
 2. Identification of goals and expectations stated in terms that are measurable and which specify how expectations are to be accomplished; and
 3. Upon satisfactory completion of the goals and expectations, the supervisor will provide the employee with written notification of satisfactory performance.
- (2) Granting Date. Progression adjustments for eligible employees will be awarded following the employee's 1st, 2nd, 3rd, 4th, 5th, 6th and 7th year anniversary date, based on the total time spent in any of the eligible classifications. See paragraph (4) below regarding other law enforcement experience which may be considered when determining the anniversary date for progression under this provision. The time in class(es) anniversary date will be adjusted for absence from employment of more than one hundred and seventy four (174) work hours in a six (6) month period, approved leaves of absence, layoff and resignation. Adjustment of the anniversary date for the aforementioned reasons may be waived at the sole discretion of the appointing authority.

The progression adjustments will be effective on the first day of the pay period following the employee attaining the next progression interval. If the employee attains the next progression interval on the first day of a pay period, the semi-automatic progression adjustment will be effective on that date.

An employee who is ineligible for the progression adjustment due to unsatisfactory performance will receive the progression adjustment effective the first day of the pay period following the employee's receipt of the written satisfactory performance evaluation.

- (3) Amount. On the effective date of a progression adjustment, the employee's base pay rate will be increased to the applicable progression point in accordance with the Police and Warden Progression schedule provided in Section Z of this Plan. If the employee's base pay rate equals or exceeds the applicable progression point, the current rate of pay will be retained.

An employee appointed to an eligible classification who is considered to have previous service in any of the eligible classifications, will be placed at the applicable progression point for the time previously spent in the eligible classifications. All other appointments at a rate at or above the lowest progression point will be made with the approval of DPM.

- (4) Other Experience. Other law enforcement experience within or outside state service may be considered as time previously spent in the eligible classifications at an amount of time to be determined by DPM.
- (5) The individual increase limit provided in s. 230.12(5)(d), Wis. Stats., does not apply to base pay adjustments granted pursuant to 2.02 of this Section (Section A).
- ~~(6) Effective October 22, 2023, immediately following implementation of the Fiscal Year 2023-24 GWA and DOA and DNR Police Officer and Warden Market Adjustment, all eligible permanent and project employees in pay status will be placed at the applicable progression point in accordance with the progression schedule shown in Section Z based on their full years of time spent in any of the eligible classifications, except that employees already paid more than the applicable progression point will keep their current pay rate.~~
- ~~(7) Eligible Classifications. The following classifications are eligible for placement on the revised pay progression structure shown in Section Z:~~

~~**Code Classification**~~

~~65100 Conservation Warden~~

~~65110 Safety Specialist Warden~~

~~65170 Special Investigative Warden~~

- ~~(8) Lump Sum for Delay in Implementation. Each employee eligible for a placement increase under this section will receive a lump sum payment for the amount of the placement increase, not including the \$5.00 market increase from Section L of this Plan, multiplied by the number of hours in pay status in one or more of the eligible classifications from July 2, 2023, to October 22, 2023. The lump sum will include adjustment to premium pay paid.~~
- (69) Funding. Costs of pay adjustments will be supplemented under the authority of s. 20.865, Wis. Stats., subject to availability of funds for this purpose as determined by the Secretary of Administration.

3.02 Classification and/or Compensation Surveys

The DPM Administrator may, without prior approval of the Joint Committee on Employment Relations (JCOER), establish provisions for determining the pay rate of a regraded employee whose position is reallocated as a result of a compensation survey and/or a classification survey under s. 230.09(2)(b), Wis. Stats., if such provisions are necessary to avoid the creation of pay anomalies. The DPM Administrator may also, for surveys, waive the increase for regrades due to reallocations provided in Sections E and I of this Plan. This authority is subject to the following:

4.00 Overtime and Supplemental Pay

4.01 Definitions

- (1) **Base pay rate.** The official hourly rate excludes any overtime or supplemental pay. Base pay rate is limited to the pay range maximum; base pay rate plus any supplemental pay received is not limited to the pay range maximum.
- (2) **Compensatory time.** Paid time off the job which is earned and accrued by an employee in lieu of immediate cash payment for overtime. See Chapter 520 of the Wisconsin Human Resources Handbook.
- (3) **Exempt.** Exempt from the overtime provisions of the Fair Labor Standards Act (FLSA).
- (4) **FLSA regular rate or regular rate.** The average hourly rate actually paid the employee as the straight time pay for all hours worked in the workweek, including all remuneration for employment paid to, or on behalf of, the employee except payments specifically excluded by the FLSA or federal regulations. The regular rate must be calculated on a week-by-week basis. Because the regular rate calculation includes differentials, stand-by pay, etc., it will often differ from the base hourly rate. It will also differ from the base rate during those weeks when an employee works fewer or more than 40 hours in the workweek.
- (5) **Night hours.** Work hours between the hours of 6:00 p.m. and 6:00 a.m.
- (6) **Nonexempt.** Subject to the overtime provisions of the FLSA.
- (7) **Nonstandard work period.** A regularly recurring period of 336 hours in the form of 14 consecutive 24-hour periods, which begins on a day of the week and time established by the appointing authority. Employees assigned a nonstandard work period are those employees who work a fixed schedule of more than 40 hours one week and less than 40 hours the next week.
- (8) **Overtime hours.** For employees assigned a standard workweek, work hours in excess of 40 in a standard workweek. For employees assigned a nonstandard work period except in the area of fire/crash rescue, work hours in excess of 80 hours in a nonstandard work period. Each position is considered separately in determining the number of work hours for employees occupying more than one position. (This definition applies only to employees who are exempt from the overtime provisions of the FLSA. Refer to Chapter 520 of the Wisconsin Human Resources Handbook for the definition of overtime as provided by the FLSA for nonexempt employees.)

- (9) **Premium rate.** The straight rate plus 0.5 times the regular rate paid the employee.
- (10) **Standard workweek.** A regularly recurring period of 168 hours in the form of 7 consecutive 24-hour periods which begins on a day of the week and time established by the appointing authority.
- (11) **Supplemental pay.** Pay in addition to the base rate for circumstances not reflected in the base pay rate or pay range. Such circumstances are identified below under 4.05 through 4.45.
- (12) **Weekend hours.** Work hours from 12:00 a.m. Saturday to 12:00 midnight on Sunday.
- (13) **Work hours.** Work time as directed by the appointing authority during which an employee must be on duty and at a prescribed place of work. In determining overtime hours for nonexempt employees, work hours means hours worked as defined in Chapter 520 of the Wisconsin Human Resources Handbook.

4.02 General Policy

- (1) **Usage.** Overtime and supplemental pay is to be held to a minimum consistent with the needs of the service. It is the responsibility of each agency to utilize other available alternatives before assigning employees to work hours that will require such pay.
- (2) **Records.** All cash overtime and supplemental pay will be separately recorded on payroll and will cease to be payable when no longer applicable.
- (3) **Application for Absences, Termination, or Cashing Annual Leave.**

Overtime or supplemental pay that is a base-building amount which is not automatically provided for all hours in work status or that is a lump sum payment, will not be paid to an employee absent or on leave with pay (vacation, sick leave, military leave, etc.) during the period in which the employee would otherwise be scheduled to work, or be included in computing lump sum payments for leave credit balances upon termination. **No overtime or supplemental pay** will be included for computing cash payments for employees selecting the cash option for annual leave (reference s. ER 18.02(5)(b)3., Wis. Adm. Code).

- (4) **Salaried Employees.** Employees who meet the duty and discretion test for exemption from the overtime provisions of the FLSA as professional, administrative, or executive employees must be paid on a "salary basis" as defined in the federal regulations and explained in Chapter 520 of the Wisconsin Human Resources Handbook. Exceptions to the requirement to be paid on a salary basis may be granted by the Director, Bureau of Classification and Compensation.

NOTE: Refer to Section B, 3.07 of this Plan for overtime and supplemental pay for unclassified employees; and Section D, 4.00 of this Plan for overtime and supplemental pay provisions for limited term employees (LTEs).
--

4.03 Overtime for Permanent Employees

Employees are categorized as exempt or nonexempt in accordance with FLSA. Refer to the most current "Alphabetical Listing of Classifications" for the normal categorization of employees by "class title." Unless an exception applies, for purposes of this Section (Section A), employees in titles designated as exempt (E) will be treated as exempt and employees in titles designated as nonexempt (N) or mixed (M) will be treated as nonexempt. Refer to Chapter 520 of the Wisconsin Human Resources Handbook for an explanation of exempt and nonexempt status under the FLSA, and for information on exceptions to the normal FLSA categorization of employees by classification title.

(1) **Overtime for Nonexempt Employees.** Overtime pay for employees who are nonexempt from the overtime provisions of the FLSA will be paid for work hours in accordance with those provisions and related federal regulations, except Fire/Crash Rescue Specialists will be paid overtime at the premium rate only after they exceed 106 hours of work hours in a biweekly pay period. Categorizing employees as exempt or nonexempt will be in accordance with the FLSA. In general, categorization is based on each employee's employment situation with an agency, regardless of the number of positions occupied by the employee in the agency. For employees functioning in an executive, administrative, or professional capacity, categorization cannot be based on the functions performed for the agency in any single workweek or work period. Temporary assignments of short duration will not normally affect the exempt or nonexempt status of employees. Refer to Chapter 520 of the Wisconsin Human Resources Handbook for specific information on the overtime provisions and record keeping requirements for nonexempt employees under the FLSA.

(2) **Overtime for Exempt Employees.**

(a) The overtime pay status of permanent and project employees who are exempt from the overtime provisions of the FLSA will be determined in accordance with the following table. The table shows the overtime pay status of employee groups broken down by Data Processing (DP) Unit Code that may be paid up to 1-1/2 times the number of overtime hours in cash or compensatory time. For all other DP codes, overtime may be paid up to the straight rate in cash or compensatory hours. By May 13, 2018, agencies will provide to DPM for approval a written policy regarding the provision of overtime pay to exempt employees. Effective January 1, 2026, compensatory time may not be cashed out except where required by federal law.

See Chapter 520 of Wisconsin Human Resources Handbook for record keeping requirements pertaining to exempt employees under the FLSA.

(b) Provisions for Permanent Salaried Employees.

1. General Policy Regarding Payment for Overtime Worked by Salaried Employees.

The salaries paid to employees included in the Overtime Pay Status Table are generally intended to compensate for the total responsibilities of the position regardless of the number of hours worked. However, circumstances may exist where time off or cash payment for overtime hours is appropriate. Time off or cash payment authorization may be granted to exempt employees at the discretion of the appointing authority except where additional compensation is required. (See Limited Circumstances When Supervisors Must Receive Overtime Compensation, 4.03(2)(b)2. of this Section.)

The following factors will be used by agencies as a basis to establish practices for additional compensation for overtime hours:

- a. The number of additional hours of scheduled work required by the employer on a frequent and recurring basis (i.e., if only a few overtime hours are worked on an occasional basis, additional compensation should not normally be granted).
- b. The standards or expectations of the occupational area (i.e., in some occupations it is customary to work overtime hours without additional payment).
- c. The status of additional compensation for overtime hours paid to subordinates or comparable employees (i.e., the employee is supervising staff earning additional compensation for overtime).

hours, or the employee is working under similar conditions with employees comparable to employees in the category who are earning additional compensation for overtime hours).

2. Limited Circumstances When Supervisors Must Receive Overtime Compensation.

If **all** of the following conditions apply to a supervisor included in the 'Overtime Pay Status Table for Exempt Employees' (see previous page), the supervisor must be paid overtime compensation in accordance with 3. below:

- a. The supervisor's position is assigned to pay range 81-04 or a counterpart pay range in a different schedule or lower; or, the supervisor's position is allocated to one of the following classifications: Plat Review Supervisor or Transportation Specialist Supervisor;
- b. The supervisor is directed to work hours in addition to his/her normal work hours and such additional work hours result in overtime hours;
- c. The purpose of the additional work hours is to supervise employees who also are directed to work additional hours;
- d. The additional work hours of the employees supervised generate overtime compensation for that workweek or work period; and
- e. The additional work hours of both the supervisor and employees supervised are generated by the same cause or situation.

3. Calculating Overtime Compensation When Supervisors Must Receive Overtime Compensation Under the Limited Circumstances Set Forth in 2., above.

- a. Employees in professional supervisory (DP Unit Code 17) and professional confidential/supervisory (DP Unit Code 98) positions will be compensated on an hour-for-hour basis at no less than their regular rate of compensation in cash or equivalent time off.
- b. Employees in nonprofessional supervisory (DP Unit Code 16) and nonprofessional confidential/supervisory (DP Unit Code 96) positions will be compensated at the premium rate or granted time off at the number of overtime hours multiplied by 1.5.

(3) General Administrative Provisions.

- (a) Appointing authorities will have discretion to approve scheduled use of time off earned in lieu of cash payment for overtime hours.

~~(b) Each year, any compensatory time not used by October 31, including compensatory time earned for working on a legal holiday, will be paid in~~

~~cash in the following November at the employee's current regular rate. There will no longer be an additional period of time for the compensatory time to be used as paid leave.~~

- (e) Payment of overtime will be in addition to the premium rate paid for holiday work incurred during the established workweek or work period. - (e) Employees who would be limited term employees if their employment were in the classified service. (See Section D)
- (f) Unclassified attorneys when provisions of Section C of this Plan apply.

NOTE: The legislative branch includes the legislature and legislative service agencies under subch. IV of Chapter 13, Wis. Stats. The executive branch includes all other units of state government outside the state court system. 3.02 Pay on Appointment

- (1) The rate payable upon appointment to any unclassified civil service position identified in 3.01(1) ("ESG" position) of this Section (Section B) will be set by the appointing authority at a rate that most adequately reflects both the individual's qualifications and the economic and employment conditions prevailing at the time of appointment subject to the following restraints:
 - (a) For positions identified under s. 20.923(4), Wis. Stats., the rate must be within the range of the appropriate ESG. (See 3.04 for special provisions regarding fixed-term positions under s. 20.923(4), Wis. Stats.)

 - (a) For positions identified under s. 20.923(7), Wis. Stats., the rate must be within the range of the appropriate GSEG.

- (b) The pay of an incumbent of a position is not limited to a rate below that paid the governor (salary of the current governor).
- (3) The rate payable upon appointment to an unclassified civil service position identified in 3.01(3) ("Non-ESG" position), excluding the unclassified attorney positions covered by Section C of this Plan, will be determined in accordance with the principle of equal pay for work that requires equal skill, effort, and responsibility, and that is performed under similar working conditions. Thus, the rate upon appointment should be equal to the rate that would be payable upon appointment to a similar position in the classified service, as determined by the appointing authority. In addition, the rate will not exceed the pay rate or range maximum under 3.03(3).

NOTE: Certain appointments are also subject to s. 230.148, Wis. Stats., regarding re-appointments in the unclassified service, and s. 230.33(3), Wis. Stats., regarding appointments to positions in the unclassified service from positions in the classified service.

NOTE: A "Not To Exceed" rate or maximum established for a position does not guarantee the assignment of the position to a certain pay range. 3.04 Salary Adjustments for Employees Serving a Fixed Term

Certain incumbents of positions specified in ss. 20.923(4) and (8), Wis. Stats., serve fixed terms. Incumbents of fixed-term positions are prohibited by Article IV, Section 26 of the Constitution from receiving pay increases during their term of office other than those granted pursuant to a predetermined schedule of increases authorized at the time of appointment. The pay range minimum and maximum for the ESG range in effect at the time of hire controls the salary potential during the period of the entire fixed-term appointment. (Refer also to incumbent salary limitation under s. 20.923(15)(b), Wis. Stats.)

3.05 Base Pay Adjustments for Fiscal Years 2025-2026 and 2026-2027 for Employees Not Serving a Fixed Term

For the 2025-2027 biennium, these provisions apply to all indefinite-term unclassified employees identified in 3.01 except for unclassified attorneys who are covered in Section C of this Plan.

(A) General Wage Adjustment (GWA).

- (1) **Effective Dates.** The GWAs will be effective August 10, 2025, in FY 2025-2026, and June 28, 2026, in FY 2026-2027.
- (2) **Eligibility.** All eligible employees who are in pay status on the effective date are eligible to receive a GWA, except:
 - (a) Employees paid at or above the pay range maximum, or the new pay range maximum if a new pay range maximum takes effect on the same date as GWA distribution.
- (3) **Amount.** All eligible employees will receive a GWA of 3.0% on August 10, 2025, and 2.0% on June 28, 2026.
 - (a) An employee's new base pay after application of the GWA must not exceed the applicable pay range maximum, or the new pay range maximum if a new pay range maximum takes effect on the same date as GWA distribution.
 - (b) ESG and GSEG employees, except those who have an NTE designation for their title, must be paid at least the new pay range minimum of the appropriate range, if a new pay range minimum takes effect on the same date as GWA distribution.
 - (c) Non-ESG employees, except those who have an NTE designation for their title, must be paid at least the applicable new pay range minimum if a new pay range minimum takes effect on the same date as GWA distribution.
 - (d) Except for those positions specifically excluded by s. 20.923(15)(b), Wis. Stats., the pay of an incumbent of a position, whose salary is subject to a limitation under s. 20.923, Wis. Stats., is limited to a rate below that paid to the governor (salary of the current governor).

(B) Lump Sum for the Delay in Implementation of the GWA:

- (1) Granting Date. The lump sum will be paid as soon as administratively feasible after the effective date of the Fiscal Year 2025-2027 GWA above.
- (2) Eligibility. Each employee eligible to receive a base pay adjustment for the Fiscal Year 2025-2026 GWA under A., above, or an increase to the new pay range minimum effective on the same date, is eligible for a lump sum for the delay in implementation of the GWA.
- (3) Amount. Each eligible employee will receive a lump sum payment calculated as the amount of the GWA increase, plus any increase needed to raise the employee to the new pay range minimum, multiplied by all hours in pay status from June 29, 2025, to August 10, 2025. The lump sum will include adjustment to premium pay paid.
- (4) This lump sum is provided in lieu of retroactive implementation of the GWA and therefore the calculation does not account for intervening personnel transactions. This lump sum is a one-time payment which approximates additional wages which would have been paid if there hadn't been a delay in the effective date of the GWA. This payment is calculated based on each employee's classification, pay rate, and history of hours worked at the time of implementation of the GWA and does not confer the right for additional future adjustments if backdated changes are made to an employee's record.

3.06 Pay Increases if Level of Functions Increases

- (1) Effective Dates. Pay increases for increases in level of functions shall be effective on the first day of the pay period following completion of all eligibility requirements.
- (2) Eligibility. Base pay increases may be granted to any indefinite term employee under 3.01 of this Section (Section B), if the DPM Administrator finds that the level of the duties and responsibilities has increased substantially and one of the following conditions applies:
 - (a) The position occupied is reassigned under s. 20.923, Wis. Stats., to a higher ESG; or
 - (b) The position occupied is not assigned to an ESG under s. 20.923, Wis. Stats., and the DPM Administrator finds that, if the position were assigned to an ESG under s. 20.923, Wis. Stats., or assigned to a classification in the classified service, reassignment of the position to a higher ESG or higher classification would be justified; or
 - (c) The position occupied is reassigned under s. 20.923, Wis. Stats., to higher GSEG; or
 - (d) The position occupied is reassigned under s. 20.923, Wis. Stats., to GSEG from another pay schedule.

- (3) Amount. Pay increases for increases in level of duties and responsibilities shall be limited to:
 - (a) The amount necessary to make the incumbent's rate equal to the minimum of the new ESG or applicable pay range; or
 - (b) One within-range pay step (WRPS) of the new ESG or applicable pay range if the position is covered in s. 20.923(4) and (7) through (12), Wis. Stats.
 - (c) 8.0% of the minimum of the new applicable pay range if the position is not covered in s. 20.923(4) and (7) through (12), Wis. Stats.

3.07 Overtime Compensation and Supplemental Pay

- (1) Definitions.
 - (a) The definitions contained in Section A. 4.01 of this Plan shall apply to unclassified employees.
 - (b) Supplemental pay. Pay in addition to the base rate for circumstances not reflected in the base rate or pay range. Such circumstances are identified under (4) and (5) below.

 - (b) Exempt Employees and Employees Not Covered by the FLSA.
 - 1. As provided in s. 20.923(16), Wis. Stats., the salary paid to any employee whose position is included under s. 20.923(2), (4), (7), (8), (9), (10) and (12), Wis. Stats., is deemed to compensate that employee for all work hours. No overtime compensation in the form of cash or compensatory time off may be paid to any such employee for hours worked in any workweek in excess of the standard basis of employment as specified in s. 230.35(5)(a), Wis. Stats. No holiday premium may be paid to such employees.
 - 2. The salaries paid to exempt employees and employees not covered by the FLSA are generally intended to compensate for the total responsibilities of the position regardless of the number of hours worked. However, circumstances may exist where time off or cash payment for overtime hours is appropriate for certain employees identified in 3.01(3). Section A, 4.03(2)(b) of this Plan shall be used by

agencies as a basis to establish practices for additional compensation for overtime hours. Time off or cash payment authorized in Section A, 4.03(2)(b) for similar positions in the classified service may be granted to exempt employees and employees not covered by the FLSA at the discretion of the appointing authority.

3. Appointing authorities shall have the discretion in approving scheduled use of time off earned in lieu of cash payment for overtime hours. Section A, 4.03(3)(b) of this Plan shall be used by agencies for cashing out time off earned in lieu of cash payments which cannot be scheduled by the end of the calendar year.

(4) Weekend and Night Differential for Unclassified Employees.

- (a) Weekend Differential. Except as provided in (c), below, employees identified in 3.01(3) of this Section (Section B) may be paid up to eighty cents (\$0.80) per hour for all weekend hours worked.

- (c) Employees identified under s. 20.923(10), Wis. Stats., are not eligible for weekend or night differential.
- (d) Effective May 13, 2018, the payment of weekend or night differential to employees who are FLSA exempt will require approval by DPM.

Incumbents of attorney positions under 3.01(3) of this Section (Section B) or unclassified attorney positions covered by Section C of this Plan who supervise one or more permanent attorneys are eligible to receive a responsibility add-on in accordance with the following supplemental pay provisions:

- (a) Appointing authorities shall have the discretion to grant supplemental pay, subject to the maximum allowable amount specified in (c) below, based on their analysis of their organizational structure, internal and external relationships, size of staff supervised, and any other reasonable criteria deemed appropriate. **The amount can be subsequently changed only with DPM approval.** The add-on shall be immediately discontinued when the employee is no longer employed in a position covered by these provisions. 12-month period ending on the effective date of the applicable GWA. (For purposes of these provisions, the requirements of Chapter ER 45, Wis. Adm. Code, will apply to both classified and unclassified employees.). If the required performance evaluations are completed within three months of the GWA effective date, a supervisor shall be granted a Delayed GWA if the supervisor had been denied the GWA solely because of the failure to complete evaluations. The Delayed GWA will be effective the first pay period following completion of the required performance evaluations, with no retroactive pay or lump sum payment for the delay.

NOTE: Extenuating circumstances may exist (e.g., leaves of absence) that would allow a supervisor to receive a GWA even though the required performance evaluations were not completed within the mandated timeframes. Contact DPM, Bureau of Classification and Compensation for further assistance.

- (f) Any employee paid at or above the applicable pay range maximum, or the new pay range maximum if the new pay range maximum takes effect on the same date as GWA distribution. An employee who is not eligible to receive a GWA solely because the employee's base pay is at or above the pay range maximum, if applicable, may qualify for an Annualized GWA Payment.
 - (g) Any employee in a position not eligible under (a) above, who later becomes eligible and who was in employment status on the effective date of a GWA, but did not receive or was not considered for the GWA, will be granted:
 - 1. The GWA(s) or Annualized GWA(s) as provided above.
 - 2. An associated lump sum payment for all the hours in pay status from the effective date(s) of the GWA(s) provided above, to the effective date of becoming eligible.
 - 3. Any GWA(s) received above, will be granted prior to setting pay upon appointment if moving to a new position.
- (3) Amount. All eligible employees will receive a GWA of 3.0% on August 10, 2025, and 2.0% on June 28, 2026. These increases are subject to the following restriction:

An employee's new base pay after application of the GWA must not exceed the applicable pay range maximum, or the new pay range maximum if a new pay range maximum takes effect on the same date as GWA distribution. (Refer to Annualized GWA Payment provisions below.)

- (2) Eligibility. Any employee may qualify for an Annualized GWA Payment if either of the conditions described under (a) or (b), below, apply:

- (a) The employee was not eligible to receive a GWA solely because their base pay was at or above the pay range maximum.
 - (b) The employee did not receive the full GWA because of the pay range maximum limitation.
- (3) Amount. The amount of any Annualized GWA Payment granted to an employee is subject to the restrictions under (a) and (b) below:
 - (a) For employees who qualify for an Annualized GWA Payment because of the condition described in (2)(a) above: The hourly amount used in calculating an employee's Annualized GWA Payment will equal the full GWA amount (i.e., 3.0% on August 10, 2025, and 2.0% on June 28, 2026).
 - (b) For employees who qualify for an Annualized Payment because of the circumstances described under (2)(b) above: The hourly amount used in calculating an employee's Annualized GWA Payment will equal the difference between the full GWA amount (i.e., 3.0% on August 10, 2025, and 2.0% on June 28, 2026) and the partial GWA actually received by the employee.
- (4) Calculating Annualized GWA Payments. Annualized GWA Payments will be calculated by multiplying the hourly amount determined to be appropriate for the employee in accordance with (3) above, by 2,080 for the Fiscal Year 2025-26 GWA and 2,080 for the Fiscal Year 2026-27 GWA. Annualized GWA Payments provided to permanent part-time or seasonal employees will be prorated on the basis of the budgeted percentage of Full-Time Equivalency (FTE) on the GWA distribution date.
- (5) Annualized GWA Payments for employees on approved unpaid leaves of absence. Any employee who is on an approved unpaid leave of absence as of the effective date of the GWA distribution and who qualifies for an Annualized GWA Payment will receive the payment, subject to the following restrictions:
 - (a) The employee must return from the leave of absence to pay status by June 26, 2027, and the employee's restoration right must be derived from a position covered by the GWA Payment provisions of this Section (Section C), or the employee becomes eligible under ((2)g) of the GWA eligibility above.
 - (b) The employee will not receive a GWA Payment until they have returned to pay status.
 - (c) The hourly GWA amount used in the calculation of an employee's Annualized GWA payment will equal the amount determined to be appropriate under (3) and (4) above.
- (C) Lump Sum for the Delay in Implementation of the GWA:**
 - (1) Granting Date. The lump sum will be paid as soon as administratively feasible after the effective date of the Fiscal Year 2025-26 GWA above.

- (2) Eligibility. Each employee eligible to receive a base pay adjustment for the Fiscal Year 2025-26 GWA under A., above, or an increase to the new pay range minimum effective on the same date, is eligible for a lump sum for the delay in implementation of the GWA.
- (3) Amount. Each eligible employee will receive a lump sum payment calculated as the amount of the GWA increase, plus any increase needed to raise the employee to the new pay range minimum, multiplied by all hours in pay status from June 29, 2025, to August 10, 2025. The lump sum will include adjustment to overtime premium pay paid.
- (4) This lump sum is provided in lieu of retroactive implementation of the GWA and therefore the calculation does not account for intervening personnel transactions. This lump sum is a one-time payment which approximates additional wages which would have been paid if there hadn't been a delay in the effective date of the GWA. This payment is calculated based on each employee's classification, pay rate, and history of hours worked at the time of implementation of the GWA and does not confer the right for additional future adjustments if backdated changes are made to an employee's record.

5.00 Alphabetical List of Class Titles, Codes and Maximum Pay Rates for Limited Term Employment Pay Schedule 18

INTRODUCTION

This Section (Section D) governs the pay of limited term employees (LTEs) in the classified and unclassified service. Provisions contained in this Section (Section D) include beginning base pay rates, base pay rate adjustments, overtime, supplemental pay, and health insurance and retirement contributions for eligible participating LTEs. The alphabetical listing of LTE class titles and maximum (Not To Exceed – “NTE”) pay rates for limited term employment pay schedule 18 is also included.

1.00 Coverage

The provisions of this Section (Section D) govern the compensation of all LTEs in the classified service and, pursuant to s. 230.12(1)(a)1.b., Wis. Stats., employees with comparable status in the unclassified service. LTEs are employed in positions in either the classified or unclassified service that meet the respective definition under 1.01 or 1.02 below.

1.01 Classified Service

An LTE appointment is employment in the classified service in which the nature and conditions do not permit attainment of permanent status in class, for which the use of normal procedures for recruitment and examination are not practicable and is not project employment.

1.02 Unclassified Service

An LTE appointment is employment in the unclassified service in which the employee would have been considered an LTE, had employment been in the classified service.

See also s. 230.26, Wis. Stats., and Chapter ER 10, Wis. Adm. Code.

2.00 Beginning Base Pay Rates for Limited Term Appointments

LTEs must be paid at least the state or federal minimum wage, whichever is greater, unless a lower wage is authorized pursuant to Section 14 of the Fair Labor Standards Act. In addition, the following provisions apply:

2.01 Limited Term Appointments in the Classified Service

- (1) LTE appointments to positions allocated to LTE class titles in pay schedule 18.
 - (a) Base pay rates shall not exceed the limits specified in the chart found in 5.00 of this Section (Section D) for the LTE class title. In those cases where no specific rate is listed, base pay rates, generally, shall not exceed the rate paid for similar types of services provided on a permanent basis.
 - (b) The listed "Not to Exceed" rates shall not be considered the appropriate rate of pay for all appointments to a particular LTE class. Rates for appointments may be set by the appointing authority at up to the rate indicated in the chart found in 5.00 of this Section (Section D), based on the nature of the work to be performed and the prevailing pay practices where the positions are located.
 - (c) For classes where the pay limitation is identified as a "prevailing rate" or "usual and customary fee," the limitation will be set by DPM and documentation should be retained by the appointing authority as to how the specific amount was determined for each appointee.
- (2) LTE appointments to positions allocated to classifications used for permanent positions.

- (a) Unless otherwise approved by the Bureau of Classification and Compensation, classified titles for permanent positions will be used for LTE positions unless the work performed by an LTE is not identified within a permanent title, in which case an LTE title listed in Pay Schedule 18 may be utilized.
- (b) LTEs are eligible to be paid up to the minimum of the pay range for the applicable classification to which permanent positions are assigned except that:
 - 1. The base pay rate shall be below the applicable pay range minimum if the employee is designated as a "trainee" for one or more of the following reasons.
 - a. The LTE employment involves either formal or informal training beyond that normally provided to a newly appointed worker.
 - b. The knowledge, skills and/or abilities of the employee are lower than those normally required of an employee in the classification.
 - c. The duties and responsibilities assigned to the LTE are fewer and/or less complex than those normally assigned to a permanent employee in the same classification and there is no lower level permanent classification that is applicable.

NOTE: It is not necessary to formally designate an LTE position as "trainee" to be able to pay below the minimum of the pay range. However, appointing authorities should apply consistent pay standards when determining the pay for incumbents of LTE positions deemed to be "trainee" in nature.

- 2. Under certain limited circumstances, the base pay rate may be above the pay range minimum of the applicable permanent classification. If any of the following conditions are met, the appointing authority has the discretion to establish a base pay rate above the pay range minimum.
 - a. Hiring Above the Minimum (HAM) authority has been approved by DPM for the LTE position or on a continuing basis for positions in the applicable permanent classification.
 - b. The LTE has eligibility for return to previous level as defined in Section I, 3.00 of this Plan, reinstatement eligibility, or restoration rights to the applicable permanent classification and the duties of the LTE position are related to those of the previous permanent position(s). If so, the allowable maximum base pay rate is determined in accordance with the reinstatement/restoration provisions of the pay administration in Section E or Section I, 4.07 and 4.08 of this Plan, whichever is applicable.

- c. The LTE is also a current classified permanent employee; the duties and responsibilities of the LTE position are related to those of the permanent position; and the base pay rate is not higher than the employee's permanent rate of pay. However, the base pay rate may not exceed the maximum of the pay range for the counterpart permanent class of the LTE position.
- d. A raised minimum rate (RMR) is in effect for positions in the applicable permanent classification and the LTE is performing at the same level as a permanent classified employee (i.e., not in a "trainee" status).
- e. The LTE position is allocated to a classification in a broadband pay schedule. The pay on appointment flexibility for starting an employee (Section I, 4.04(2) of this Plan) at not more than the applicable appointment maximum may be used.
- f. The LTE position is allocated to a classification with a pay progression structure in Section Z. The LTE may be appointed at a pay rate up to the pay point designated for zero years of experience or licensure.

- (c) LTEs in Crafts Worker related positions shall be paid no more than the applicable Maximum LTE Rate provided in the DPM Building Trades Adjusted Hourly Rate Booklet. This Maximum LTE Rate will be adjusted on the same date and by the same percentage as represented rate adjustments in the Booklet. Those who are determined to be Wisconsin Retirement System eligible may be paid no more than 93% of the applicable Maximum LTE Rate.

2.02 Limited Term Appointments in the Unclassified Service

The rate upon appointment should be equal to the rate which would be payable upon appointment to a similar position in the classified service, as determined by the appointing authority.

2.03 Incentive and Retention Award Pilot Program for Seasonal Limited Term Appointments

Subject to conditions established by the DPM Administrator, an appointing authority may provide an Incentive and Retention Award not to exceed \$500.00 for critical **seasonal** LTE appointments. Prior to granting any awards under this pilot project, the agency must provide a written plan to the DPM Administrator outlining the reason(s) for the awards and the criteria under which they will be granted.

3.00 Base Pay Adjustments for LTEs

3.01 If Paid Below the Maximum Rate for an LTE Class Title

- (1) An LTE who is paid below the maximum rate indicated for the LTE class title listed in pay schedule 18 may have his or her base pay rate adjusted, by the appointing authority during the fiscal year, to a rate not to exceed the maximum indicated rate.
- (2) For increases granted to LTEs in class titles for which a "usual and customary fee" limit applies, documentation should be retained by the appointing authority as to the basis for such increases. (For example, an increase in the usual and customary fee for the occupation, initial pay set at below the usual and customary fee, etc.)
- (3) An LTE in a classification with a pay progression structure in Section Z may have their base pay rate adjusted up to the pay point designated for zero years of experience or licensure.

3.02 If Pay Range of Permanent Classification is Reassigned

An LTE in a position allocated to a classification also used for permanent positions who is eligible to be paid at the minimum of the pay range may have their base pay rates adjusted to a rate not exceeding the new minimum of the pay range if the classification is reassigned to a different pay range, if the pay range minimum is adjusted, or if a raised minimum rate is in effect for the classification.

3.03 If Paid Below the Minimum of the Pay Range for a Permanent Class Title

An LTE in a position allocated to a classification used for permanent positions who is paid below the pay range minimum, but who is eligible to be paid up to the minimum, may have his or her base pay rate adjusted up to the pay range minimum of the classification.

3.04 Ineligibility for Regrade Increases

An LTE is not eligible to receive an increase as a result of a regrade (i.e., LTE positions are not reclassified).

3.05 Eligibility for Other Base Pay Adjustments or Lump Sum Payments

An LTE is not eligible for any type of increase except:

- (1) The increases stated in 3.01 through 3.03 of this Section (Section D).
- (2) An LTE hired under 2.01(2)(b)2.b. of this Section (Section D) may have his or her base pay rate adjusted by the General Wage Adjustment (GWA) shown in Section A, 2.01(3) of this Plan on the effective date of the GWA, subject to the applicable pay range maximum.
- (3) An LTE hired under 2.01(2)(b)2.c. of this Section (Section D) may have his or her base pay rate adjusted by the GWA shown in Section A, 2.01(3) of this Plan on the effective date of the GWA, not to exceed the employee's permanent rate of pay and subject to the applicable pay range maximum.

4.00 Overtime, Supplemental, and Holiday Pay

4.01 Overtime Pay for LTEs with Nonexempt Status

Overtime pay for LTEs who are nonexempt from the overtime provisions of the FLSA shall be in accordance with the provisions of the FLSA and related federal regulations. See Chapter 520 of the Wisconsin Human Resources Handbook for an explanation of these provisions.

4.02 Overtime Pay for LTEs with Exempt Status

LTEs who are exempt from the overtime provisions of the FLSA (e.g., attorneys, physicians, dentists, and teachers) must receive the straight rate for all overtime work hours unless the work performed is in an occupational area where it is customary to work overtime hours without additional payment. If LTEs work overtime hours without additional payment, agencies must maintain records to document that such appointments are for less than a total of 1040 actual work hours per year pursuant to s. 230.26, Wis. Stats.

4.03 Payment Only for Hours Worked

Pursuant to Chapter ER 10, Wis. Adm. Code, LTEs must be paid only for actual hours worked, except as otherwise provided in this Compensation Plan, and except when necessary to vote during scheduled work hours. Pursuant to s. 7.33, Wis. Stats., LTEs must be given paid time off for scheduled work hours during the entire 24-hour period of each election day if required to work as election officials on that date. LTEs cannot be granted compensatory time off as payment for overtime or holiday work hours.

NOTE: Pursuant to ss. 230.26 and 230.35, Wis. Stats., LTEs do not qualify for paid holidays or any other type of paid leave, except as noted above.

4.04 Supplemental Pay

LTEs may receive the same types of supplemental pay including add-ons (e.g., weekend differential, night differential, engineer and CPA add-ons, etc.) as permanent employees in the same or most closely related classification if the supplemental pay is based on hours worked. Physician LTEs, Psychiatrist LTEs, and Medical Consultant LTE employees whose positions require the possession of a license to practice medicine pursuant to s. 448.05, Wis. Stats., may be provided the supplemental pay in all of the provisions of Section A, 4.13 of this Plan, and the Medical Officer of the Day standby pay under 4.08. Medical Consultant LTE employees whose positions require the performance of duties of a Dentist Supervisor or Dentist Management may be provided the supplemental pay in Section A 4.13(2) of this Plan.

4.05 Payment for Holidays Worked

LTEs must receive payment at the premium rate for all holiday work hours as provided in s. 230.35(4)(b), Wis. Stats.

INTRODUCTION

The provisions of this Section (Section E) apply to all classified project employees and permanent employees whose positions are **not** allocated to classifications assigned to broadband pay schedules, except public safety collective bargaining provisions, if applicable.

Pay administration provisions for permanent and project employees whose positions are allocated to classifications assigned to broadband pay schedules are contained in Section I of this Plan. Provisions for determining beginning base pay rates for non-broadbanded unclassified employees and limited term employees (LTEs) are contained in Sections B and D, respectively. The beginning rate provisions in Sections B and D apply only to employees covered by those respective Sections and have been included with other compensation provisions that are unique to unclassified employees and LTEs.

NOTE: The provisions in this Section (Section E) supersede ch. ER 29, Wis. Adm. Code, for all project appointments in non-broadband pay schedules.

1.00 Beginning Pay Upon Original Appointment for Permanent Classified Employees in Non-Broadband Pay Schedules

Upon original appointment as a permanent employee in the classified service beginning base pay rates shall be determined as follows:

1.01 General

The starting base pay rate upon original appointment shall be the minimum of the pay range for the classification except as otherwise provided in this Section (Section E) or other sections of this Plan.

NOTE: For provisions governing the pay upon original appointment for permanent employees in positions allocated to classifications assigned to the broadband pay schedules, refer to Section I, 4.04 of this Plan.

1.02 Raised Minimum Rate (RMR)

- (1) When competitive labor market conditions have been evaluated and the minimum rate is determined to be below the market rate for a classification or subtitle for a classification, or when a classification or subtitle for a classification has unique requirements and it is unlikely that quality applicants would be available under such conditions, the DPM Administrator, at the request of the appointing authority, may establish a raised minimum rate above the pay range minimum for recruiting, hiring and retaining employees. Such rates may be established on a geographic basis.
- (2) The raised minimum rate shall be the lowest rate payable to any permanent or project employee whose position is assigned to the classification or classification and subtitle in the geographic area where the raised hiring minimum is in effect.

NOTE: Refer to Chapter 560 of the Wisconsin Human Resources Handbook entitled "Raised Minimum Rates" for additional information.

1.03 Hiring Above the Minimum (HAM)

- (1) The DPM Administrator may authorize HAM for permanent and project employees whose positions are allocated to classifications assigned to non-broadband pay schedules when either:
 - (a) The duties and responsibilities of a position require the employment of a person with qualifications that differ significantly from those normally required for other positions in the same classification, and the persons who possess such qualifications are not readily available in the labor market at the minimum rate in the pay range; or

- (b) A recruitment effort has failed to produce or would likely not produce a full certification of candidates.
- (2) HAM must be authorized prior to formal recruitment and the increased pay potential must be included in all recruitment information where pay is stated.
- (3) Only those candidates who possess qualifications which significantly exceed the requirements for the classification or subtitle or who possess qualifications which differ significantly from those normally required for other positions in the same classification may be hired above the minimum of the pay range.
- (4) Project positions allocated to represented classifications may be filled using HAM even though use of HAM would not be allowed if the position were permanent.

NOTE: Refer to Chapter 508 of the Wisconsin Human Resources Handbook entitled "Hiring Above the Minimum" for additional information.

1.04 Trainee/Apprentice Minimum Rate

- (1) Except as indicated in (5) below or otherwise established by DPM, minimum starting pay rate for ~~trainee~~Trainees/Apprentices will be established at one within-range pay step below the minimum of the pay range for the objective classification for each six (6) months of formal and/or "on-the-job" training required to reach the objective classification. If the DPM Administrator, at the request of the appointing authority, reviews the qualifications of the person to be appointed and determines that the qualifications are equivalent to specific segments of the training program, such segments may be waived and considered as completed. The rate payable on appointment may then exceed the minimum rate established for the training program and shall be based on the length of time required to complete the remaining segments of the training program.
- (2) Incremental pay increases up to the pay range minimum of the objective classification shall be provided for successful completion of each segment of training as provided in the training plan for each ~~trainee~~Trainee/Apprentice position.
- (3) If an RMR has been established for a classification, Trainee/Apprentice pay rates will be established in accordance with (1), above, except that the RMR rate will be used in lieu of the pay range minimum in establishing the step rates of the Trainee/Apprentice pay progression plan.
- (4) If a "blanket" HAM has been established for a classification, Trainee/Apprentice pay rates will be established in accordance with (1), above, except that the HAM rate will be used in lieu of the pay range minimum in establishing the step rates of the Trainee/Apprentice pay progression plan.

If the blanket HAM allows for different hiring rates depending on skills and/or experience, the Trainee/Apprentice step rates will be established based on the HAM

rate the Trainee/Apprentice would qualify for upon successful conclusion of the training program.

~~(5)~~ Scheduled ~~trainee~~Trainee/Apprentice pay increases shall be increased by the same percent, and at the same time as the adjustment to the pay range minimum.

~~(6)~~ In accordance with ER 44.06(1), Wis. Adm. Code, attendance of Trainees/Apprentices at approved training and educational activities shall be without loss of pay and shall be at the employer's expense.

~~(4)(7)~~ In pay schedules where no within-range pay step is defined, the step used for ~~trainee~~Trainee/Apprentice pay purposes shall be three percent (3.0%) of the minimum for the objective classification for which the employee is being trained.

~~(5)~~ A current employee's base pay rate will be determined in accordance with provisions applicable to the transaction type involved.

~~(8)~~ A current or former state employee who is hired as a Trainee/Apprentice shall receive a pay rate and pay progression as determined by these Trainee/Apprentice provisions, regardless of the employee's previous pay rate.

2.00 Beginning Pay Rates for Project Appointees in Non-Broadband Pay Schedules

2.01 Project Appointees Who Are Former Permanent Classified or Unclassified Employees

- (1) Subject to the maximum of the new pay range, project appointees who have previously been permanent classified employees, and who could have been appointed to a permanent position without an interruption of continuous service under s. ER 18.02(2), Wis. Adm. Code, may be appointed to a project position assigned to a higher classification than their previous permanent classified position, and may be paid at up to their previous rate of pay if higher than the pay range minimum of the classification for the project appointment.
- (2) Project appointees who have previously been permanent classified employees, and who could have been appointed to a permanent position without an interruption of continuous service under ER 18.02(2), Wis. Adm. Code, may be appointed to a project position assigned to the same, a counterpart, or a lower classification than their previous permanent classified position, and may be paid at a rate of pay determined in accordance with the provisions regarding pay on reinstatement as contained in this Section (Section E).
- (3) Subject to the maximum of the new pay range, project appointees who are appointed directly from a permanent classified or unclassified position without an interruption in employment status, or who receive a classified leave of absence for the project position, may be paid at up to their previous rate of pay if higher than the pay range minimum of the classification for the project position.

NOTE: Refer to Chapter ER 34 of the Wisconsin Administrative Code for additional employment information regarding project employees.

2.02 Other Project Appointees

- (1) Except as provided in 2.01, beginning base pay rates shall be determined in accordance with 1.00 above.
- (2) On subsequent project appointment to a different position, the pay rate attained as a result of a project appointment shall not serve as the basis for the establishment of subsequent pay rates on appointment to any other position. However, experience acquired may be relevant for subsequent appointments made in accordance with HAM provisions of 1.03 above.

NOTE: Refer to Section A, 1.00, of this Plan for the provisions regarding supplemental pay and overtime provisions for project employees.

3.00 Other Transaction Pay Adjustments for Project Employees in Non-Broadband Pay Schedules

INTRODUCTION

In accordance with s. 20.916(8), Wis. Stats., the DPM Administrator, with the approval of the Joint Committee on Employment Relations (JCOER), establishes the uniform travel schedule amounts (UTSAs). These amounts include automobile, motorcycle, and personal airplane mileage reimbursement rates; portage tips; moving expenses; temporary lodging allowances; and meal and lodging rates. The approved travel schedule amounts are incorporated into the compensation plan under s. 230.12(1), Wis. Stats., and apply to all employees whose compensation is established under ss. 20.923 or 230.12, Wis. Stats., (i.e., all classified employees, except those in the public safety bargaining unit, and unclassified civil service employees, including legislators, judges, and board members), unless excluded by statute. The provisions of this Section (Section F) become effective on the first day of the month following approval by the Joint Committee on Employment Relations (JCOER), but no sooner than the effective date of this Plan, and remain in effect until the first day of the month following modification by JCOER. The Department of Administration (DOA) has responsibility to ensure that travel claims are audited for compliance with the provisions of these travel schedule amounts. Under s. 16.53(12)(c), Wis. Stats., DOA may not approve for payment any travel vouchers which exceed the maximum travel schedule amounts established under s. 20.916(8), Wis. Stats., except in unusual circumstances when accompanied by a receipt and full explanation of the reasonableness of such expense and approved by the appointing authority or designee.

Provisions in the labor agreement for public safety employees that apply to travel and lodging expenses supersede the analogous provisions under these travel schedule amounts.

Employees in travel status are expected to exercise good judgment when incurring travel costs. An employee shall be reimbursed for reasonable and necessary travel expenses actually incurred in the performance of official duties in accordance with the travel schedule amounts and provisions herein. Reimbursements may not cover the entire cost of an employee's expenses if they exceed the limitations established within the UTSAs by the DPM Administrator.

Employees are encouraged to plan all travel with the principles of fiscal austerity and energy conservation in mind and to make maximum use of telephone, facsimile machines, postal service, e-mail, teleconferencing, webcasts and other technical applications as a way to minimize the need to travel. Employees and agencies should utilize official state provided purchasing cards when available or to have travel expenses coordinated and billed centrally to the agency (as opposed to personally paying for the expense and having it reimbursed) whenever practicable.

These uniform travel schedule amounts apply to travel within the United States. Expenses incurred for approved travel outside this area will be subject to the schedule amounts where appropriate (e.g., air transportation to be the lowest appropriate airfare), but handled on a case-by-case basis when travel-related costs vary from country to country. For such out-of-country travel, the federal Outside the Continental United States (OCONUS) Per Diem rates shall be used. Reimbursement for out-of-country travel shall be based on actual, reasonable and necessary expenses incurred with the per diem rates used to determine the maximum allowable reimbursement for both meals and lodging. These rates do not include incidental expenses such as laundry and taxis.

Agencies and employees are duly notified that untimely submission for reimbursement under this Section (Section F) may be taxable if submitted more than 60 days after the expense was incurred; agencies should develop policies to address and to ensure compliance with federal or state regulations on accountable and non-accountable plans.

1.00 Definitions

1.01 Airline Receipt: An airline receipt is the original "Passenger Receipt" plus any applicable original travel agency invoice/itinerary evidencing service fee amounts. If these are not available, a reasonable copy or computer print-out (such as an Internet/e-mail confirmation) along with proof of payment, such as a credit card statement or cancelled check, will be acceptable. Credit card charge statements and/or slips alone are not acceptable as documentation because these lack sufficient detail.

1.02 Employee: Any classified or unclassified officer, or employee of the state, including any legislator, judge, board member, permanent, project, or limited term employee, etc., who is entitled to actual, reasonable and necessary expenses. See ss. 16.53(12)(a)2., 20.916(9)(a)1m., and 20.916(10), Wis. Stats.

1.03 Headquarters: The physical location of the employee's permanent work site.

1.04 Headquarters City: The area within the city, town or village limits where an employee's permanent work site is located and the area within a radius of 15 miles (based on odometer mileage) from the employee's permanent work site. The appointing authority or designee shall determine the employee's permanent work site in the best interest of the state. See s. 20.916(9)(a)2., Wis. Stats.

1.05 Lowest Appropriate Airfare:

- (1) Lowest total fare which provides for:
 - (a) not more than a two-hour window from the traveler's preferred departure or arrival time;
 - (b) may require one plane transfer without regard to carrier, aircraft, and connecting airport;
 - (c) departs from the airport nearest to the employee's headquarters location or, at the discretion of the employee, from an airport offering a fare which is more cost effective, including parking, mileage, and/or additional overnight stays;
 - (d) one carry-on and/or checked bag, if not already included in the cost of the fare; and
 - (e) general (i.e., the most basic) seat assignment selection at the time the fare is booked.
- (2) Additional baggage may be authorized by the appointing authority after review of a written justification and a determination that it is necessary and reasonable. If authorized, the cost of additional baggage shall be factored into determining the lowest total fare.
- (3) The class of fare purchased shall be a coach/economy, or equivalent, class fare. The state shall not reimburse for premium fares (e.g., business, first class, or similar). In cases where multiple tiers of coach/economy exist, those fares may be reimbursable if they represent the lowest total, or cumulative, cost when including the provisions allowed under 1.05(1) and (2) of this Section (Section F).

- 1.06 Non-Airline Receipt:** A non-airline receipt is the original statement document from the supplier, preferably one that clearly evidences the form of payment, date of purchase, name of supplier, and type of purchase. In the case of lodging, detailed itemization of the expenses is required. If the original receipt is not available, a reasonable copy of the receipt or a computer print-out (such as an Internet/e-mail confirmation) along with proof of payment, such as credit card statement or cancelled check, will be accepted. In the case of lodging, the copy must provide a detailed itemization of expenses. Credit card charge statements and/or slips alone are not acceptable as documentation because these lack sufficient detail.
- 1.07 Ridesharing Services:** Transportation services that match a driver of a private vehicle with that of a customer seeking transportation usually through the use of a digital service provided by a third-party company. These services are similar to those provided by a traditional taxicab company.
- 1.08 Traveler:** Any person who incurs travel expenses on official state business and is entitled to authorized reimbursement for those expenses.
- 1.09 Travel Status:** When an employee is required by his/her supervisor to leave the headquarters station to accomplish official state business and is eligible for reimbursement of actual, reasonable and necessary travel expenses in accordance with the provisions of the DPM uniform travel schedule amounts, other applicable statutes, or pursuant to the public safety collective bargaining agreement, if applicable.
- 1.10 Volunteer:** Any officially authorized person not in employee status, who provides service to the state.

2.00 Authority for Travel

2.01 Authorization

Any official business travel by state employees must be approved in accordance with individual agency procedures as established by the appointing authority or designee.

2.02 Appropriateness

Pursuant to s. 16.53(12)(b), Wis. Stats., the appointing authority or designee shall determine that the proposed travel is appropriate and necessary to the mission, responsibilities or duties of the employee's unit.

Pursuant to s. 16.53(1)(c)7., Wis. Stats., before employees are permitted to attend out-of-state conferences, conventions, seminars, meetings or training courses, the appointing authority or designee should ensure that a clear state interest is being served.

3.00 Mode of Transportation

Pursuant to s. 20.916(4)(c), Wis. Stats., the allowance for the use of a personal automobile or motorcycle shall not exceed the lowest cost of the most practical means of public transportation between points convenient to be reached by railroad, bus or commercial airplane without unreasonable loss of time. The appointing authority or designee shall give due consideration to the circumstances in each case when determining the most practical means of public transportation. The cost of meals and lodging paid by the state and the cost of the use of a state-owned automobile not chargeable to an employee may not exceed the cost which would have been incurred had the most practical form of public transportation been used, at the most appropriate time, if a practical form of public transportation is available.

When a number of state employees are knowingly traveling to the same destination at the same time, it is their responsibility to arrange for pooled transportation where practicable. Individuals, who for personal reasons choose not to participate in pooled transportation, may be reimbursed for mileage expense when the appointing authority or designee determines that such reimbursement is appropriate.

Expenses for transportation will be reimbursed as follows:

3.01 Air Travel

NOTE: Refer to the DOA's State Procurement contracts on Travel Agency Services for additional detailed information.

- (1) Reimbursement for commercial air travel shall be limited to the lowest appropriate airfare (Reference the definition in 1.05 of this Section). The appointing authority or designee may determine a reimbursement amount other than the lowest appropriate airfare only when the traveler provides written explanation of the reasonableness of the expense. Requests for reasonable accommodations shall be made in accordance with 14.03 of this Section (Section F).

Where a traveler is seeking reimbursement for airfare through a travel voucher, there should be sufficient documentation of the departure and return dates, itinerary, nature of official business and a receipt attached to the travel voucher (Reference the definition in 1.01 in this Section).

Where airfare is being paid directly by a state agency, the invoice and other attachments to the payment voucher should reflect the following information:

- (a) Name(s) of the traveler(s) and destinations;
- (b) Departure and return dates;
- (c) Nature of official business;
- (d) If possible, cross-reference to the number of the travel voucher containing the other trip-related expenses.

NOTE: Benefits from any airline promotion, such as free tickets for frequent fliers, merchandise, etc. that accrue as a result of official state business, belong to the State of Wisconsin and should be used whenever possible for subsequent official state business. Business use of frequent flier vouchers, vouchers for bumping, discount coupons or other instruments are not considered to have any monetary value, and therefore, employees shall not be reimbursed for using them.

- (2) Flight insurance coverage for employees is not a reimbursable expense.
- (3) Effective the effective date of this Plan, reimbursement for use of private aircraft will be made at the rate provided in 3.05(3)(b) below, if under s. 20.916(5)(a), Wis. Stats., use of a private aircraft is authorized prior to travel by an appointing authority or designee who has confirmed that the individual has the required insurance coverage.
- (4) Miscellaneous Travel Supplier Fees: Fees incurred because travel arrangements were changed (such as, but not limited to, those changed by airlines) are reimbursable only when accompanied by a valid, written business reason for the change and approved by the appointing authority or designee.
- (5) Charges to modify seat selection or to select premium seat assignments above the most basic level are not reimbursable, except as provided for under 3.01(1) of this Section (Section F).

3.02 Travel by Train

Pursuant to s. 20.916(9)(f)2., Wis. Stats., travel by train shall be limited to coach, if available, unless overnight where accommodations should be limited to roomette. Receipts are required for reimbursement.

3.03 Travel by Bus

Employees traveling within the headquarters city and between cities should travel by bus whenever feasible, as determined by the appointing authority or designee. Receipts are required for reimbursement of travel between cities.

3.04 Taxis, Ridesharing Services, and Airline Shuttles

Reasonable charges for taxis, airline shuttles, and ridesharing services, including tips at a maximum rate of 15% of the charge as provided in s. 20.916(9)(d), Wis. Stats., are reimbursable when other modes of travel are not available or practical. However, shuttle service (usually less expensive or free) should be utilized in place of a taxi whenever possible and the employee shall be reimbursed at a rate of no more than that of the shuttle service cost if such shuttle service was available. Employees shall obtain and provide receipts whenever the cost of a one-way fare exceeds \$25.

3.05 Vehicle Transportation

(1) Use of State Pool Vehicles

- (a) Management shall encourage employees to use state pool vehicles whenever feasible and whenever a vehicle is required for conducting official state business unless a state-owned vehicle is already personally assigned.
- (b) When using state pool vehicles, passengers shall be limited to state employees or travelers engaged in official state business.
- (c) Credit cards are provided with each vehicle and must be used if possible when any expenses are incurred. The only expenses in connection with state-owned vehicles which can be claimed on a travel voucher as reimbursable are:
 - 1. Storage, parking and toll charges.
 - 2. Expenses incurred where the credit cards are not accepted. Receipts showing the fleet number of the vehicle are required.
 - 3. Emergency expenditures related to operation of the vehicle. Receipts showing the fleet number of the vehicle are required.
- (d) Personal use of a pool vehicle is not permitted.
- (e) Traffic citations, parking tickets, locksmith calls for retrieving keys, etc., are not reimbursable.

(2) Use of Personally-Assigned State-Owned Vehicles

- (a) Based upon an employee's job responsibilities, an employee may be assigned a state-owned vehicle.
- (b) Pursuant to s. 20.916(7), Wis. Stats., an employee who has a personally-assigned state-owned vehicle may use the vehicle for personal use in accordance with fleet guidelines, and must reimburse the state for such use at the rate provided in (3)(b) below, plus sales tax.
- (c) Traffic citations, parking tickets, locksmith calls for retrieving keys, etc., are not reimbursable.

(3) Use of Privately-Owned Vehicles

- (a) Reimbursable business miles are determined as follows:
 - 1. Actual miles driven by the most direct route between an employee's headquarters and a work site removed from the assigned headquarters.
 - 2. Actual miles driven by the most direct route between work sites that are removed from the assigned headquarters
 - 3. For trips that start or end at an employee's home, the lesser of:
 - a. actual miles driven between an employee's home and the work site removed from the assigned headquarters; or

- b. the mileage between an employee's assigned headquarters and the work site.

NOTE: To determine the reimbursable miles under 3.05(3)(a)3, of this Section (Section F), first calculate the number of miles between the employee's home and the alternate work site. Then calculate the number miles between the employee's headquarters and the alternate work site. The employee will be reimbursed for the lesser of these two mileage calculations.

4. When management determines that an employee's vehicle is not required for travel to a work site removed from the assigned headquarters, the employee will be reimbursed mileage from the employee's home to an approved pickup point which is in excess of the mileage from the employee's home to the assigned headquarters.
5. Items 3.05(3)(a)1. through 3. should be used to determine reimbursable business mileage for each component of a trip when multiple stops are made during the day.
6. Mileage from the employee's home to the assigned headquarters is not reimbursable.
7. When an employee is "**allowed**" to telecommute, mileage from the employee's home to what would have been the assigned headquarters if not telecommuting shall be considered commuting and not reimbursable.

NOTE: See OSER Bulletin CC-198 dated 6/19/89 for additional information on mileage reimbursement from home to work site or pickup point.

- (b) An employee shall be reimbursed at the rate not to exceed two cents per mile less than the rate paid to federal employees (which is not necessarily the IRS rate) if the accumulated personal car business mileage per round trip is:
1. Less than 100 miles. Employees may be required to secure a non-availability slip, at the discretion of the appointing authority or designee.
 2. 100 miles or more and the employee's agency issues them a non-availability slip because the agency maintains a central pool in the headquarters city.
 3. 100 miles or more and if both the employee's agency and the DOA central fleet issue a non-availability slip because the agency's central pool and central fleet are located in the headquarters city.
 4. Any mileage if there is no access to a fleet vehicle in the headquarters city.
 5. Any mileage if these requirements are waived on an individual basis. The agency must demonstrate to DOA that a different set of mileage standards for issuing non-availability slips would result in a more cost-effective use of state vehicles.

When a change to the federal rate is realized, the DPM Administrator will determine the new reimbursement rate and an administratively feasible effective date of the change to the State reimbursement rate.

- (c) The non-availability slip should include the date of the request as well as the dates for which a pool vehicle is requested and must be signed by the agency dispatcher or DOA Central Fleet representative.
- (d) Except as provided in (b) above, if an employee uses his or her own automobile, the business mileage allowance shall be at a rate pursuant to s. 20.916(4)(e), Wis. Stats., except as otherwise stated in this Section (Section F).

NOTE: Employees should contact their agency fiscal officer to obtain the reimbursement rate when they do not have a non-availability slip and choose to use their personal vehicle.

- (e) Charges for repairs, tow services, lubrication, etc., are not reimbursable items. Traffic citations, parking tickets and other traffic violation expenses are the employee's responsibility.
- (f) Persons with disabilities who use a privately-owned, specially equipped ~~van~~ vehicle on state business shall be reimbursed at a rate of 17.5 cents per mile more than the rate provided under (b), above. When a state-owned ~~van~~ vehicle which is specially equipped for persons with disabilities is available, the reimbursement rate shall be 61 cents per mile unless a non-availability slip has been obtained.

NOTE: Requests for exemption from the "certificate of non-availability" requirement, for medical or other reasons should be forwarded to the DOA fleet management coordinator. Requests for exemptions must be resubmitted on an annual basis. Employees who are disabled may also receive a general waiver if state-owned vehicles do not adequately meet their specific needs and a driver is not available on a regular basis. Copies of all such exemption approvals shall be kept on file in the agency pre-audit area, to avoid delays in processing the travel claim.

- (g) Employees shall be reimbursed for the use of privately-owned motorcycles on state business, in accordance with s. 20.916(4m), Wis. Stats. The rates for reimbursement shall be 28.5 cents per mile, whether a fleet vehicle is available or not, subject to the following conditions:
 - 1. Only one individual may be transported on a single motorcycle.
 - 2. The appointing authority or designee may require travel by automobile if the travel costs are anticipated to be less than the cost of travel by motorcycle, such as when two or more state employees are traveling to the same destination.
 - 3. Reimbursement for use of privately owned mopeds or bicycles on state business is not authorized by statute.

- (h) Pursuant to s. 20.916(4)(c), Wis. Stats., for travel between points convenient to be reached by railroad, bus or commercial airplane without reasonable loss of time, the allowance for the use of a personal automobile or motorcycle shall not exceed the lowest cost of the most practical means of public transportation between such points.

The employee's appointing authority or designee shall give due consideration to the circumstances in each case when determining the amount of reimbursement for the most practical means of public transportation where a personal auto or motorcycle is utilized. The total reimbursement must not exceed the cost of any other reasonable means of getting to the airport, including parking fees if it would have been required.
- (k) "Vicinity" mileage on official business trips should be stated in the itinerary column on the travel voucher but does not have to be separated from the total miles claimed for the trip.

(4) Vehicle Rentals/Insurance.

Rental vehicles should be used in situations where it is the most cost-efficient means of transportation or the efficient conduct of state business precludes the use of other means of transportation.

NOTE: There are restrictions with regards to renting 12 or 15 passenger vans. Renters of 12 or 15 passenger vans must be authorized by their respective appointing authority or designee prior to renting.
--

When renting a vehicle:

- (a) State contract vendors shall be used unless the vendor is unable to provide a vehicle as needed. All contract vendors include Collision Damage Waiver (CDW) and liability insurance in their rates. Vehicles may be rented from non-contract vendors if a contract vendor is not available or the rental cost, including CDW and liability insurance is less expensive, and services are equal to the contract vendors.

- (b) The CDW and liability insurance for domestic rentals shall be purchased when renting from non-contract vendors and when renting from a contract vendor for rentals where such coverage is not included in the contract. For international rentals, travelers must purchase CDW and liability insurance unless provided under the vendor contract for the country in which the travel occurs.
- (c) Be prepared to provide identification of state employment.
- (d) If one or two travelers are using the vehicle, an economy-sized vehicle shall be rented. Each day is considered separately for application of this policy.
- (5) Employees shall be reimbursed a flat rate of \$5.00 for each bag meal.

4.03 Meal Receipts

Receipts for meals are not required except for the following:

- (1) Any claim in excess of the schedule in 4.02 of this Section (Section F), must be accompanied by a receipt and full explanation of the reasonableness of such expense. To be considered reasonable, a cost must generally be incurred outside the control of the individual. If the employee has a choice in the selection of the restaurant or the menu item, the employee is expected to stay within the maximums. When claiming reimbursement for meal expenses while attending a conference, employees shall be required to attach a copy of the conference brochure to the travel voucher.
- (2) If there is a suspected abuse or a consistent pattern of maximum meal reimbursement claims is noted on an employee's travel vouchers, the appointing authority or designee may require an employee to submit receipts to document the amounts claimed on future travel vouchers.

- (1) Employees of the same sex traveling together are encouraged, whenever feasible, to share lodging accommodations. Employees should be held personally responsible for unnecessary room costs that result from his/her failure to notify the hotel/motel of a cancellation, unless reasonable justification is provided for failing to notify the hotel/motel.
- (2) When an appointing authority or designee determines that it is in the best interest of the state to order the employee to stay at a specified lodging accommodation, the employee shall be entitled to the full lodging reimbursement required for such a stay. If this lodging rate exceeds the maximum permitted amount specified in 5.02 of this Section (Section F), the employee must attach documentation to the voucher which clearly indicates the employer's requirement that the individual stay at the specified lodging accommodation. This documentation shall include the employer's written authorization and justification for requiring the employee to stay at the specified lodging accommodation.
- (3) When an appointing authority or designee orders an employee to attend a business function and does not specify the lodging accommodation, the employee's lodging reimbursement shall be limited to the amount specified in 5.02 of this Section (Section F), except as provided in 5.03 of this Section.
- (4) An appointing authority or designee may permit the employee(s) to stay at a documented conference site where lodging costs exceed the maximum permitted amount specified in 5.02 of this Section (Section F) on the basis that it enables the employee(s) to gain professional benefits due to interaction with other attendees. No additional statement of justification is required.

5.02 Maximum Lodging Rates

The maximum lodging rates detailed in this provision are intended to be inclusive of all fees (e.g., resort fee, wi-fi fee, communication fee):

(The cost of a room shared by two or more employees may not exceed the combined maximum rate for an equal number of single rooms.)
- (6) For lodging in-state with stays of multiple days, with varying nightly rates, it is permissible to exceed the maximum lodging rates if the average of the rates is equal to, or less than, the maximum rates permitted for in-state lodging.

5.03 Exceeding the Maximum Lodging Rate

Except as provided in 5.01(2) of this Section (Section F), maximums may be exceeded only when it is determined that unavoidable additional expenses would be incurred by trying to adhere to the specified maximums (e.g., high transportation costs incurred when staying at an economical hotel/motel at the edge of the city instead of staying downtown).

5.04 Checkout Times and Extended Stays

Employees shall observe posted hotel checkout hours in order to avoid a charge for the day of departure. An employee who is required to remain in one location for an extended period of time is expected to find lodging at reasonable weekly and/or monthly rates.

5.05 Lodging Receipt Requirement

All lodging expenses must be supported by an original itemized receipt. A photocopy of the receipt, the hotel or motel statement or credit card receipt is not considered an acceptable substitute unless exceptional circumstances can be documented and a written explanation is attached to the voucher.

5.06 Eligible Facilities

Expenses for lodging at facilities which are licensed as a hotel, motel, campground, or tourist rooming house under state law or administrative code are reimbursable, except that reimbursement for lodging at private residences is not authorized even if that private

Reimbursement claims for laundry, cleaning and/or pressing must be supported by original paid receipts. Charges for laundry, etc., can be reimbursed only when the employee incurs the expenses while in travel status. Employees should normally be expected to pack sufficient clothing for a week without having to incur such charges. Routine cleaning of clothes is not considered a travel-related expense and therefore not reimbursable.

7.02 Telephone/Fax/Internet Connectivity

- (1) Employees are encouraged to place telephone calls in advance from the headquarters location. If telephoning from the field is necessary for business purposes, an employee must attempt to use the State Telephone System (STS), which is now available at most agency and university locations around the state.
- (2) Where STS is not available, business telephone charges (both local and long distance) may be reimbursed. Business related facsimile charges are reimbursable. Reimbursement claims for business telephone calls, business facsimile charges and/or Internet connectivity in excess of \$5.00 per call shall be supported by receipt.

- (2) Portage costs at airports or bus terminals shall be reimbursed. The claim should not exceed \$1.00 per piece of luggage.

7.04 Registration Fees

- (1) An original paid receipt, a copy of the check, a copy of the credit card statement, or the traveler's customer copy of the credit card receipt must support claims for reimbursement of registration fees over \$25.

Under s. 20.916(9)(e), Wis. Stats., employees who are headquartered in a city in which the expense occurs shall be reimbursed for their actual, reasonable and necessary expenses incurred in the discharge of official duties only on the approval of the appointing authority or designee. This does not apply to travel between an employee's residence and the city in which the employee is headquartered, which shall not be reimbursable. Parking charges incurred in headquarters city resulting from daily trips from an individual's residence to the headquarters are not reimbursable unless the conditions enumerated in AG Opinion 61 OAG 210 (one of which is that the employee's use of a personal vehicle is a condition of employment) are met.

Travel expenses for individuals not on official state business (spouse, family member, friend, etc.) are not reimbursable. With respect to the cost of lodging, the amount reimbursable to the employee will be equal to the rate for a single room, which shall be entered on the receipt by the hotel clerk. The only authorized exception to this prohibition applies to the Governor's spouse, and such situations are specifically outlined in the separate procedures governing the use of the Governor's contingency fund (established pursuant to s. 20.525(1)(b), Wis. Stats.).

If the appointing authority determines that a move is a mandatory condition of employment under s. 20.917(1)(a), Wis. Stats., the minimum distance requirements are not applicable.

10.03 Maximum Amount

The maximum dollar amount which may be permitted for reimbursement of any employee's moving costs is subject to the limitations set forth in s. 20.917(2), Wis. Stats. In addition, a \$1,000 stipend may be paid for costs incidental to moving (subject to the limitations set forth in s. 20.917(1)(e), Wis. Stats.), as well as the cost of automobile travel for one vehicle at the rate provided in 3.05(3)(b) of this Section (Section F). Persons who volunteer their services to state agencies may be reimbursed for some or all of the actual and necessary travel expenses in accordance with s. 20.916(1m), Wis. Stats., and the maximums established under this Section (Section F). Volunteers must contact the risk management office of the agency they are serving prior to traveling on state business and seeking reimbursement from the state.

It is recognized that individuals traveling on official state business may require a reasonable accommodation, as required by the Federal Americans with Disabilities Act of 1990 and/or Section 504 of the Rehabilitation Act of 1973, as amended. Depending upon individual circumstances, the reasonable accommodation could take various forms such as payment of portage costs under 7.03 of this Section (Section F) or allowing a personal attendant to accompany the individual while in travel status.

NOTE: If it is necessary for the individual conducting official state business to have an attendant in order to participate in an off-work site meeting or travel for other work-

related purposes, the attendant's travel costs, including salary, would be reimbursable if they meet the actual, reasonable, and necessary conditions set forth under the applicable federal law. The non-salary costs, e.g., meals, lodging, transportation, etc., must conform to the guidelines and amounts for travelers set forth in this Section (Section F). In addition, the salary costs must be actually incurred and reasonable, based on the normal market rates for these services.

INTRODUCTION

This Section (Section H) contains provisions for a health insurance premium credit program provided under s. 230.12(9), Wis. Under these provisions, additional health insurance credits are granted to eligible employees in order to pay post-retirement health insurance premiums.

1.00 Coverage

1.01 Classified Employees

The provisions of this Section (Section H) apply to all permanent or project employees in the classified service except those in positions allocated to pay schedule 04.

For purposes of this Section, layoff will not include temporary, school year, seasonal, or sessional layoff.

1.02 Unclassified Employees

The provisions of this Section (Section H) apply to the following unclassified employees:

- (1) Constitutional officers and other state officials in positions identified in s. 20.923(2), Wis. Stats., including the following:
 - (a) Justices of the supreme court, court of appeals judges, and circuit court judges;
 - (b) State senators and representatives to the assembly;
 - (c) The governor, lieutenant governor, secretary of state, state treasurer and attorney general;
 - (d) The state superintendent of public instruction;
 - (e) District attorneys.
- (2) "ESG" employees in positions identified under ss. 20.923(4), (8), (9), and (12), Wis. Stats., in the executive or legislative branches;
- (3) All other unclassified employees in the executive branch except for employees whose pay is specifically excluded from governance by the pay provisions of this plan under s. 230.12(1)(a)1.b., Wis. Stats., or employees who would be limited term employees (LTEs) if their employment were in the classified service.

2.00 Effective Dates

2.01 Classified Employees

For all classified employees except those employees in positions allocated to pay schedule 04, the provisions of this Section (Section H) took effect on January 21, 1996 or took effect in accordance with previous collective bargaining agreements.

2.02 Unclassified Employees

- (1) For unclassified employees, other than those specified in (2) below, the provisions of this Section (Section H) took effect on January 21, 1996.
- (2) For constitutional officers, other state officials, and unclassified employees serving fixed-term appointments, the provisions of this section took effect as specified under (a) through (f), below:
 - (a) For justices and judges: when any justice or judge took the oath of office, on or after January 21, 1996. (The Honorable Patrick C. Haughney was sworn in as a circuit court judge on April 29, 1996. These provisions, therefore, took effect for all judges and justices as of that date.)
 - (b) For Legislative members: January 6, 1997.
 - (c) For the governor, lieutenant governor, secretary of state, state treasurer and attorney general: January 4, 1999.
 - (d) For the state superintendent of public instruction: July 1, 1997.
 - (e) For district attorneys: January 6, 1997.
 - (f) For unclassified employees appointed to fixed-term positions: upon appointment or reappointment, on or after January 21, 1996.

NOTE: Under Art. IV, Sec. 26, sub. (2), Wis. Const., the compensation of a public officer "may not be increased or diminished during the term of office," except as provided under that section. Art. IV, Sec. 26, par. (2)(b), Wis. Const., further provides that, "Any increase in the compensation of members of the legislature shall take effect, for all senators and representatives to the assembly, after the next general election beginning with the new assembly term." The supplemental health insurance premium credits provided in this section constitute an increase in compensation for the affected employees. Such employees, therefore, first become eligible for the supplemental credits on the dates specified in 2.02(2) of this Section (Section H). For such employees, the provisions of this Section (Section H), therefore, took effect as specified in 2.02(2) of this Section (Section H).

NOTE: Under s. 978.12(1)(a)2., Wis. Stats., “If an individual is appointed to fill a vacancy in the office of the district attorney, the appointee shall be compensated for the residue of the unexpired term at the same rate that applied to the individual who vacates the office filled by the appointee on the date the vacancy occurs.” The supplemental health insurance premium credits provided in this section constitute an increase in compensation for the affected employees. For such employees, the provisions of this Section (Section H), therefore, took effect as specified in 2.02(2) of this Section (Section H).

3.00 Eligibility

The following supplemental health insurance conversion credits are provided for covered employees who, on or after January 24, 2004, are laid off or retire from the service, or for the surviving insured dependents of employees who are laid off or die while in service, under the following conditions:

- (1) The credits shall be based upon an employee's full number of years of adjusted continuous service on the date of retirement, layoff or death.
- (2) The credits shall be calculated based on the employee's sick leave balance on the date of retirement, layoff or death.
- (3) An employee is not required to retire immediately upon termination from the service to be eligible if the employee has 20 years of creditable service under the Wisconsin Retirement System. See ss. 40.02(25)(b)6e. and 40.95(1)(a) intro, Wis. Stats.

4.00 Amount

4.01 General and Executive

For employees who retire, are laid off, or die while in state service with at least fifteen (15) full years of adjusted continuous service, the employer shall match each one (1) hour of accumulated sick leave up to a maximum of fifty-two (52) hours per year multiplied by the number of years of service through twenty-four (24) years. For years of adjusted continuous service over twenty-four (24) years, the employer shall match each one (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty four (24) years.

4.02 Protective

For employees who have earned all of their adjusted continuous service while having protective occupation status and who retire, are laid off, or die while in state service with at least fifteen (15) full years of adjusted continuous service, the employer shall match each one (1) hour of accumulated sick leave up to a maximum of seventy-eight (78) hours per year multiplied by the number of years of service through twenty-four (24) years. For years of adjusted continuous service over twenty-four (24) years, the employer shall match each one (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty-four (24) years.

4.03 Proration of General, Executive, and Protective

Employees who have earned part of their adjusted continuous service while in protective occupation status shall have their credits prorated as specified in (1) or (2) below.

- (1) If at the time of retirement, layoff, or death, the employee has adjusted continuous service of less than twenty-five (25) years, multiply the number of years as general and/or executive by fifty-two (52) hours. Multiply the number of years as protective by seventy-eight (78) hours. Combine these totals to determine the maximum matching credits.
- (2) If at the time of retirement, layoff, or death, the employee has adjusted continuous service of over twenty-four (24) years, determine the proration based on the first twenty-four (24) years of service and then add one hundred and four (104) hours for each year of adjusted continuous service over twenty-four (24) years.

5.00 Miscellaneous Administrative Provisions

5.01 Credits for Sick Leave Used

- (1) Employees who suffer from a personal illness or injury that requires them to use at least five hundred (500) hours of accrued sick leave during the three (3) years immediately prior to retirement, layoff, or death shall receive five hundred (500) hours credited to this account upon retirement, layoff, or death.
- (2) Employees shall be required to provide medical documentation of such illness or injury to the employer on forms provided by the employer at the time the leave is taken. Employees who have suffered such an illness or injury during the three (3) years immediately preceding the effective date of this benefit shall also be required to provide supporting medical documentation.

5.02 Access to Supplemental Credits

Access to these credits for payment of post-retirement health insurance premiums shall occur only after all Accumulated Sick Leave Conversion Credits (ASLCC) have been exhausted.

Credits granted to a laid off employee or that person's surviving insured dependents, shall be available until credits are exhausted, the laid off employee is reemployed, or five (5) years have elapsed from the date of layoff, whichever occurs first.

5.03 Rehired Annuitant

In the event an employee returns to a position covered by these provisions after having retired, the credits in this account shall be held in escrow until the employee again retires. The credits will then be adjusted to reflect additional years of continuous service and sick leave accrual.

5.04 Conversion Pay Rate

Sick leave shall be converted to credits using the employee's highest base pay rate received as a state employee in an appointment providing sick leave, as defined in s. ETF 10.01 (3e), Wis. Admin. Code.

5.05 Conversion Pay Rate for Employees Receiving Educational Credit Add-ons

The educational credit add-on set forth in Section A., 4.12 of this Plan will be considered a part of an employee's basic pay rate for purposes of the supplemental health insurance conversion credits provided under this Section (Section H). This treatment of the educational credit add-on applies to participants in the Wisconsin Retirement System who apply for the conversion of unused sick leave credits on or after July 4, 1999.

In addition, certain unclassified attorney positions, those included in Section C of this Plan except Assistant District Attorneys, are covered by 4.04 of this Section (Section I). These provisions supersede those of ch. ER 29 and ER 30, Wis. Adm. Code.

2.00 Increase Limitations

2.01 Individual Increase Limitations

Except where specified, the individual increase limit provided in s. 230.12(5)(d), Wis. Stats., does not apply to base pay adjustments granted pursuant to provisions of this Section (Section I).

2.02 Retroactive Increases or Decreases

Except for action in accordance with ss. 230.43(4), 230.44(4)(c), and 230.45, Wis. Stats., or to correct an error, no pay increases or decreases associated with provisions of this Section (Section I) shall be retroactive.

3.00 Definitions

The definitions set forth in ss. ER 1.02 and ER-MRS 1.02, Wis. Adm. Code, will be used for purposes of this Section (Section I) with the following additions:

- (1) **“Appointment Maximum”** means the maximum base rate an employee may be granted when appointed to a position assigned to that “appointment maximum,” except as otherwise provided under 4.04 (Pay on Appointment), 4.07 (Pay on Reinstatement) and 4.08 (Pay on Restoration) of this Section (Section I). The “appointment maximum” is not the maximum of the pay range. See also “Temporary Appointment Maximum.”
- (2) **“Effective receipt”** means the date a recommendation is received by the office within the agency that has been delegated, in writing, effective receipt authority by the appointing authority.
- (3) **“Present rate of pay”** means the base pay rate currently authorized for the position that determines the type of personnel transaction that will occur, unless otherwise specified.
- (4) **“Red circled pay rate”** means a base pay rate received by an employee that is above the pay range maximum for the classification of the employee’s position. Employees whose pay has been red circled shall continue to receive their present rate of pay until the pay range maximum for the class exceeds their present red circled pay rate, and shall not receive any base pay adjustments unless authorized by this Plan. However, employees whose pay has been red circled as a result of a layoff prior to

July 1, 2016, and whose restoration rights have been forfeited as a result of a failure to accept a reasonable offer of appointment or reappointment pursuant to ch. ER-MRS 22, Wis. Adm. Code, shall have their base pay reduced to the maximum of the applicable pay range.

- (5) **“Return to Previous Level”** means an original appointment or promotion to a position in the same, counterpart, or lower pay range that had been previously attained in a permanent position within five (5) years of the appointment.

NOTE: For current employees, pay on “Return to Previous Level” is only applied when an employee is moving upwards towards, or to, a pay range level previously attained. A transaction that meets the definition of a demotion cannot be considered a return to previous level, even if the employee was previously in a position at the lower level to which demoting. A transaction that meets the definition of a transfer is considered a return to previous level only if the movement is to a higher classification level in the same broadband pay range.

- (6) **“Temporary Appointment Maximum”** means an appointment maximum that is established temporarily for a specific position due to special market needs. Except as otherwise provided in 4.04 (Pay on Appointment), 4.07 (Pay on Reinstatement), or 4.08 (Pay on Restoration), below, the “temporary appointment maximum” is the maximum base rate an employee (new or current) may be granted when appointed to the specific position for which the “temporary appointment maximum” is approved. Once the position for which the “temporary appointment maximum” has been approved is filled, the “temporary appointment maximum” expires.

A “temporary appointment maximum” will be established only under exceptional circumstances and must be pre-approved by DPM. See also “Appointment Maximum.”

- (7) **“Within-Range Pay Step (WRPS)”** means an amount equal to three percent (3.0%) of the minimum of the applicable pay schedule.

4.00 Transaction Pay Adjustments

4.01 Multiple Pay Adjustments on Same Date (Order of Application)

Multiple pay adjustments that are effective on the same date will be applied in the following order:

- (1) Regrade of an employee as a result of a reallocation decision.
- (2) Regrade of an employee as a result of a reclassification decision.
- (3) Progression adjustments provided under Section A, 2.03 of this Plan.
- (4) Promotion, except when considered a return to previous level.

- (5) Career executive voluntary movement to a higher class.

- (9) Career executive reassignment or voluntary movement to a position allocated to a classification in the same pay range.
- (10) Reinstatement and return to previous level.
- (11) Restoration.
- (12) Compensation Plan adjustments pursuant to s. 230.12(3), Wis. Stats., or contractual adjustments, including but not limited to within range pay adjustments other than those made under (1) through (11), and (14) through (17) of 4.01 of this Section (Section I).
- (13) Compensation Plan schedule adjustments under s. 230.12, Wis. Stats.
- (14) Progression adjustments other than those provided for in (3), above.
- (15) Establishment of a raised minimum rate.
- (16) Discretionary Equity or Retention Adjustment (DERA)
- (17) Discretionary Merit Compensation (DMC).
- (18) Original appointment, except when considered a return to previous level.

NOTE: Reallocations to new broadband pay ranges will occur immediately after implementation of the ranges per (13) above.

4.02 Pay on Completion of All Pay Transactions

Upon completion of any personnel transaction:

- (1) Except for (2) below, employees will receive a base pay rate not less than the minimum rate for the classification regardless of whether the employee is serving a probationary or career executive trial period.
- (2) Employees will receive not less than the minimum rate for the training program if the employee is serving a probationary period in a trainee classification.
- (3) Unless otherwise stated in this Section (Section I), the base pay rate will be subject to the applicable pay range maximum.

4.03 Pay on Completion of Any Probation or Career Executive Trial Period

No probationary increases will be granted to employees upon completion of any probationary period or career executive trial period unless specifically provided by the Plan.

4.04 Pay on Appointment

- (2) Pay on Original Appointment, Project Appointment, and Appointment of Employees to Unclassified non-Supervisory/Management Attorney Positions Covered by Section C of this Plan. For Nurse Clinician 2 and Nurse Clinician 2-Weekend classifications, see 4.16, below. For Licensed Practical Nurses, see 4.17, below. For Social Workers see 4.18, below. For Income Maintenance Specialists, Initial Assessment Specialists, and Treatment Specialists, see 4.19, below.
 - (a) An employee's base pay may be set at any rate that is not less than the minimum of the applicable pay range and not greater than the applicable appointment maximum.
 - (b) Rehire of an employee within 5 years to an unclassified attorney position covered by Section C of this Plan, may be treated as if reinstated in accordance with 4.07 of this Section (Section I). This includes new appointments for current unclassified attorneys.
 - (c) For a project appointment in a broadband pay schedule, an employee's base pay may be set at the following:
 1. In accordance with (a) above;

2. Subject to the maximum of the new pay range, project appointees who have previously served as permanent classified employees and who could have been appointed to a permanent position without an interruption of continuous service under s. ER 18.02(2), Wis. Adm. Code, may be appointed to a project position assigned to a higher classification than their previous permanent classified position and may be paid up to their previous rate of pay if higher than the pay range minimum of the classification for the project appointment.
 3. Project appointees who have previously served as permanent classified employees and who could have been appointed to a permanent position without an interruption of continuous service under s. ER 18.02(2), Wis. Adm. Code, may be appointed to a project position assigned to the same, a counterpart, or a lower classification than their previous permanent classified position and may be paid a rate of pay determined in accordance with the provisions regarding pay on reinstatement as contained in 4.07 of this Section (Section I).
 4. On subsequent project appointment to a different position, the pay rate attained as a result of a project appointment shall not serve as the basis for the establishment of subsequent pay rates on appointment to any other position.
- (d) For original appointments considered a return to previous level, the rate of pay will be calculated in accordance with 4.07 of this Section (Section I).
 - (e) For original appointments and project appointments to a pay schedule that includes specified pay progression rates for the classification, pay shall be set at the rate on the progression schedule applicable for an employee with no experience. If there is no such specified rate, pay is set at a rate below the lowest rate for experience, unless otherwise approved by DPM.
- (3) Pay on Appointment for all of the transactions listed in (1) above, other than Original Appointment, Project Appointment, and Appointment of Employees to Unclassified Attorney Positions Covered by Section C of this Plan, or movements to a broadband from a craft-related position in which base pay was based on the building trades rate schedule. For Nurse Clinician 2 and Nurse Clinician 2-Weekend classifications, see 4.16, below. For Licensed Practical Nurses, see 4.17, below. For persons coming from security pay range 05-31, 05-32, 81-33, or 81-34, see 4.18, below.
- (a) Except as provided in (b) through (d) below, an employee's base pay may be set in accordance with any of the following:
 1. The minimum of the pay range through its applicable appointment maximum; or

 3. For a movement to a supervisory or management position, the minimum of the pay range through a rate equal to the employee's current base pay rate plus 6 WRPS, subject to the pay range maximum.

- (b) For transactions which involve movement to a position in a broadband classification eligible for progression adjustments under Section A of this Compensation Plan, any increase must be approved by DPM.
- (c) An employee may not receive an increase upon voluntary transfer or Career Executive voluntary movement to the same or counterpart pay range unless approved by DPM. DPM will consider an increase only if the position is considered a higher level in the same or counterpart pay range or the appointing authority can demonstrate pay compression, inversion, or inequity within the agency or statewide.
- (d) For promotions, an employee's base pay may be set in accordance with (a) above, except the employee's present rate of pay will be increased by an amount not less than 8.0% of the pay range minimum, subject to the applicable appointment maximum.
 - 1. For promotion of an employee currently serving a promotional probation, the present rate of pay will be calculated as if the employee were restored to the position in the highest class in which permanent status in class was held at the time the employee started that promotional probation.
 - 2. For promotion of a former employee in layoff status or a current employee in layoff status who is serving a probationary period, the present rate of pay will be calculated as if the employee were restored to the position from which the layoff occurred.
 - 3. For promotion of a current employee in layoff status who is not serving a probationary period, the present rate of pay will be the greater of the current rate of pay or the rate calculated as if the employee were restored to the position from which the layoff occurred.
 - 4. For promotion of an employee on an approved leave of absence, the present rate of pay will be calculated as if the employee were restored to the position in the highest class in which permanent status in class was held at the time the employee began the leave of absence.
 - 5. For promotions considered a return to previous level, the rate of pay will be calculated in accordance with 4.07 of this Section (Section I).

4.05 Pay on Involuntary Transfer

The appointing authority may use the pay on appointment flexibility of 4.04(3) of this Section (Section I), except an employee who is involuntarily transferred for reasons other than discipline shall be paid at least their present rate of pay. If the present rate of pay exceeds the new pay range maximum, it shall be red circled.

4.06 Pay on Demotion or Career Executive Movement to a Lower Pay Range

- (1) Except as specified in (2) through (4) below, and 4.16 through 4.18, below, a demoting or demoted employee, or a career executive employee voluntarily moved to a lower pay range, may receive any base pay rate which is not greater than the present rate of pay, subject to the new pay range maximum.
- (2) If an employee demotes within an agency after being notified in writing by the appointing authority that the employee's position may be affected by impending layoffs, the employee's present rate of pay **may** be retained and that rate **may** be red circled if it is above the maximum for the new classification, subject to the following:
 - (a) For movement between broadband pay ranges, the demotion is no more than one pay range;
 - (b) For movement between non-broadband pay ranges, the demotion is no more than three pay ranges; or
 - (c) For all other movements, the new pay range minimum is at least 75.0% of the pay range minimum from which the demotion occurs.
- (3) If an employee demotes within an agency after written notification of layoff and the demotion is within three (3) pay ranges or one broadband, the employee's present rate of pay **shall** be retained. If the present rate of pay is above the maximum for the new classification, it shall be red circled.
- (4) If an employee demotes within an agency after written notification of layoff and the demotion exceeds three (3) pay ranges or one broadband to the highest-level vacancy available for which the employee is qualified within the agency, the employee's present rate of pay **may** be retained. If the present rate of pay is above the maximum for the new classification, it **may** be red circled.
- (5) If a career executive is reassigned to a position allocated to a career executive position in a lower pay range, the employee shall retain his or her present rate of pay. If the present rate of pay is above the new pay range maximum, the employee's pay shall be red circled.

4.07 Pay on Reinstatement

Pay on reinstatement will be set as follows:

- (1) An employee who has not held permanent status in class within the last 5 years shall have his or her pay determined in accordance with the pay on original appointment provisions of 4.04 of this Section (Section I).
- (2) Except as otherwise provided in 4.07 of this Section (Section I), an employee may be granted a base pay rate which is not greater than the last rate received plus intervening adjustments pursuant to s. 230.12, Wis. Stats., subject to the pay range maximum. When intervening adjustments are discretionary, the amount shall be

limited to the amount that would have been generated by the employee. The intervening adjustments applied shall be those of the appropriate pay schedule and classification from which reinstatement eligibility is derived, subject to the applicable pay range maximum.

NOTE: DERA provided for in 6.00 of this Section (Section I) and DMC provided for in Section J of this Plan may **not** be included as an intervening increase when determining pay on reinstatement, **except** that DMC may be included when returning from a leave of absence granted for serving in an unclassified position.

“Last rate received” for an employee who is reinstated is defined as the highest base pay rate received in any position in which the employee had previously held permanent status in class within the last 5 years.

- (3) If the appointment maximum corresponding to the position to which the employee is reinstating is greater than the last rate received plus intervening adjustments, as determined under (2) above, the appointing authority may set the employee’s base pay at a rate not to exceed the appointment maximum.
- (4) If the employee is reinstated following layoff, the base pay rate shall be calculated in accordance with (2) or (3) above. However, if the employee is reinstated to the highest level vacancy available for which the employee is qualified within the agency from which layoff occurred, and if the last rate received in the position from which layoff occurred exceeds the new pay range maximum, the employee may be paid any base pay rate that does not exceed that last rate received.
- (5) If the employee is reinstated and the employee’s present rate of pay is red circled in the highest position currently held, the base pay rate shall be calculated in accordance with (2) or (3) above. However, if the employee’s red circled pay rate exceeds the new pay range maximum, the employee may be paid any base pay rate which does not exceed the red circled pay rate.
- (6) The DPM Administrator may waive the limit on intervening discretionary **Compensation Plan** adjustments provided in (2) above, upon reinstatement of an employee following employment in the unclassified service if the work in the unclassified service was closely related to and at a higher level than the work of the position to which reinstated. Upon approval by the DPM Administrator, intervening Compensation Plan adjustments shall not be limited by the amount that would have been generated but shall be subject to the limits specified in the applicable Compensation Plan and s. 230.12, Wis. Stats.

4.08 Pay on Restoration

Pay on restoration will be set as follows:

- (1) Except as otherwise provided in 4.08 of this Section (Section I), an employee shall be granted a base pay rate which is the last rate received plus intervening adjustments pursuant to s. 230.12, Wis. Stats. When intervening adjustments are discretionary, the amount shall be limited to the amount that would have been generated by the

employee. The intervening adjustments applied shall be those of the appropriate pay schedule and classification from which restoration eligibility is derived. "Last rate received" means the last base pay rate received in the position from which restoration rights are derived. If the employee's base pay on restoration is greater than the new pay range maximum, it shall be red circled.

NOTE: DERA provided for in 6.00 of this Section (Section I) and DMC provided for in Section J of this Plan may **not** be included as an intervening increase when determining pay on restoration, **except** that DMC may be included when returning from a leave of absence granted for serving in an unclassified position per provisions of Section J.

- (2) If the appointment maximum corresponding to the position to which the employee is restoring is greater than the last rate received plus intervening adjustments, as determined under (1) above, the appointing authority may set the employee's base pay at a rate not to exceed the appointment maximum.
- (3) If an employee is restored following a layoff to a vacancy at a lower level than the highest level vacancy for which the employee is qualified in the employing unit, the employee's rate of pay shall be calculated in accordance with (1) or (2) above, subject to the maximum of the pay range to which the classification is assigned.
- (4) If an employee is restored in accordance with an order of the employment relations commission or a court action, the employee's rate of pay shall be as ordered by the commission or court.

4.09 Pay on Regrade for Reallocation or Reclassification to a Classification in a Higher Pay Range
