Co-Chairpersons and Members
Room 113 South, State Capitol
Madison, WI 53707

Dear Co-Chairpersons and Committee Members:

The State of Wisconsin, represented by the Department of Administration, Division of Personnel Management (DPM), and the Wisconsin Building Trades Council have completed the process of negotiating a labor agreement for the 2023-24 fiscal year for the building trades crafts bargaining unit.

Negotiations resulted in a tentative agreement that has been ratified by the members of the bargaining unit. DPM recommends approval of the tentative agreement by the Joint Committee on Employment Relations and the Legislature.

The tentative agreement increases rates in the pay schedule for Trades occupations by a 4.00% General Wage Adjustment (GWA), thereby providing employees with a corresponding adjustment to the new applicable occupational pay rate. The adjustment will include back pay to July 2, 2023.

The effective date of the Agreement will be the day following publication in the official state newspaper. The Agreement will remain in effect through June 30, 2024.

Sincerely,

A handwritten signature in black ink, appearing to read "Jen Flogel". The signature is fluid and cursive.
