

State of Wisconsin Veterans Employment Report

Fiscal Year 2024

The State of Wisconsin Veterans Report summarizes the progress made in providing veterans with employment opportunities and includes statistics on the number of new hires and incumbent employees who are veterans for all agencies in the Wisconsin State Government from July 1, 2023, through June 30, 2024.

STATE OF WISCONSIN
DEPARTMENT OF ADMINISTRATION

Tony Evers, Governor
Kathy Blumenfeld, Secretary
Jen Fogel, Division Administrator

November 8, 2024

The Honorable Tony Evers
Governor, State of Wisconsin

Chief Clerk Lindsay Hale
Wisconsin State Senate

Chief Clerk Edward Blazel
Wisconsin State Assembly

Dear Governor Evers, Senate Chief Clerk Hale and Assembly Chief Clerk Blazel:

Pursuant to [s. 230.04 \(9\)\(em\)](#), Wis. Stats., I am pleased to submit the annual Veterans Employment Report for the fiscal year 2024. The report summarizes veteran new hires and current employees for the fiscal year 2024 and includes information for each state agency.

Veterans comprise an important segment of the Wisconsin workforce in both the private and public sectors. State government and other employers can benefit significantly by recruiting and retaining our nation's veterans.

Sincerely,

Jen Fogel
Administrator, Division of Personnel Management

Introduction

Wisconsin Stat. [§ 230.04 \(9\)\(em\)](#) requires the Division of Personnel Management (DPM) to prepare an annual report on veteran employment in Wisconsin State Government. The Bureau of Equity and Inclusion (BEI) is charged with completing this report on behalf of the Division. The report covers veteran employment information for state agencies for the fiscal year (FY). University of Wisconsin system employee data is not included in this report since legislation implemented in July 2015 removed them from the classified and unclassified service.

Description of Report

The report contains statistics on new state hires and current employees identified as veterans in FY 2024. All data for this report was derived from the Human Capital Management (HCM) module of the PeopleSoft system. The report includes veterans who identify as disabled and non-disabled and spouses of disabled and deceased veterans. Data collected for new hires are cumulative during FY 2024 (from July 1, 2023, through June 30, 2024). Disabled veterans are categorized based on the percentage of a service-connected disability. Data collected for current employees is as of June 30, 2024, the last day of the FY. The report contains a summary table for all state agencies and an individual table for each state agency (except for the State Treasurer's Office, which consists of a singularly elected official).

The tables represent two data groups: New Hires and Current Employees. The total number of new and current veteran hires is categorized by the following employment types: permanent classified, unclassified, limited-term, project, and seasonal employment. Additionally, each data group is further defined by veteran status, veteran disability status, disability percentage, spouse of disabled or deceased veteran status, and disabled spouse of a deceased veteran status.

Employee Types

Permanent Classified Employee: A person who is an employee due to a permanent appointment in the classified civil service, whether or not the employee has attained permanent status. Note that permanent classified employees can be in permanent or project positions.

Unclassified Employee: A person who is an employee in a position not included in the classified service. Examples are agency heads, division administrators, and attorneys in the State Public Defender's office.

Project Employee: A person who is an employee in a project position under conditions of employment that do not provide for the attainment of permanent status.

Limited-Term Employee (LTE): A person who is an employee in a position that does not permit permanent status in classified service, and regular recruitment and examination procedures are not practical.

Seasonal Employee: A person employed intermittently and recurring for at least 600 hours each year. Permanent status may occur through successive reinstatements.

The following employee types are grouped together for the reporting tables presented later in the report:

- Total Permanent: This includes permanently classified employees in permanent positions and permanently classified employees in project positions.
- Total Unclassified: This consists of all unclassified employees, including unclassified employees in temporary (LTE) positions.

Key Findings for Fiscal Year 2024

Current Employees

- Veterans accounted for 7.6% of the state workforce in FY 2024, compared to 7.5% in FY 2023, an increase of 0.1%. The total number of veteran employees also increased from FY 2023 (2,588) to FY 2024 (2,731).
 - The total proportion of veterans employed by the state in FY 2024 continues to exceed the proportion of veterans in the nation's workforce (5.2% in 2023) and Wisconsin's overall workforce (4.4% in 2023).¹
- The employment of veterans with disabilities increased to 2.2%, up from 2.1% of all employees in FY 2023.
- The number of employees who are spouses of a veterans with disabilities, spouses of deceased veterans with disabilities, or the spouses of deceased veterans increased from 63 in FY 2023 to 85 in FY 2024.
- The Department of Corrections had the largest number of veteran employees in FY 2023 (916) and FY 2024 (999).
- The Office of the State Public Defender had the largest increase in the proportion of veteran employees from FY 2023 (3.2%) to FY 2024 (4.1%) among agencies with at least 100 employees, a 0.9% increase.
- FY 24, the Department of Military Affairs had the largest percentage of veteran employees (34.2%) among agencies with at least 100 employees.

New Hires

- The percentage of veteran new hires increased by 0.8%. Veterans accounted for 6.7% of all new hires in FY 2024, compared to 5.9% in FY 2023. The number of new veteran hires also increased from FY 2023 (422) to FY 2024 (532).
- Veterans with a disability accounted for 1.5% of all new hires in FY 2024, an increase from 0.5% in FY 2023.
- The number of hires who are spouses of disabled veterans increased from zero in FY 2023 to 21 in FY 2024.
- The Department of Corrections hired the most veterans in FY 2023 (138) and FY 2024 (236, and it increased the number of veterans hired from FY 2023 to FY 2024 by 98.
- The Department of Military Affairs had the largest increase in the proportion of veteran hires from FY 2023 (23.6%) to FY 2024 (31.2%) among agencies with at least 100 hires, a 7.6% increase.

The increased hiring of veterans in FY 2024 is related to focused efforts as a part of agency's commitment to hiring veterans in the planning and executing their 2024-2026 Equity and Inclusion plans as well as education

¹ Wisconsin Council on Veterans Employment 2024 Annual Report

and streamlining of the State's [Veteran's Non-Competitive Hiring program](#). Veterans with a 30% or greater service disability who apply through this program are reviewed for eligibility to be hired into state employment without competing with other applicants through traditional methods.

Strategic Considerations

Across all industries, veterans are a source of qualified, committed job candidates with transferable skills that are valuable to the state workforce. The report provides statistical information for agencies to consider as they plan to increase the recruitment and retention of veterans and their spouses. DPM periodically reviews and reevaluates reporting methodology to provide the most accurate information.

State agencies are also encouraged to evaluate their culture and work to advance an inclusive environment that recognizes and appreciates the veterans' strengths and contributions to the state workforce.
