Stay in the know when you're on the go!

FOR ILLUSTRATIVE PURPOSES ONLY

Did you know there's an app that makes viewing your Wisconsin Deferred Compensation Program (WDC) account on your smartphone or tablet simple and secure? Download the app, available through the WDC's recordkeeper (Empower Retirement), to access your WDC account on the go. Empower provides service, education and advice to WDC participants.

If you are using an Apple device, you can customize the app icon to display either the WDC icon or the Empower brand on your device.¹

If you have the Android version of the app, you will automatically see the WDC logo at the top of the landing page.

The app is available for your mobile devices now. Find it in the App Store® from Apple for iPhones, iPads and Apple Watches and on Google Play™ for Android devices. Search for Empower Retirement and download the app.

¹ Apple App requires iOS 12 or higher.

Cybercriminals often use malicious links in scam emails to trick users into revealing sensitive information. To help protect you, the WDC will never use an email or links in an email to ask your User ID, Social Security number, account number, password, or the answers to your password-recovery security challenge questions, such as your mother's maiden name or place or birth. If you receive a scam email claiming to be from the WDC, don't click on any links or attachments and call (877) 457-9327.
