

ENTERPRISE MANAGEMENT DEVELOPMENT ACADEMY(EMDA) 2021 APPLICATIONS NOW AVAILABLE!

Applications Due **Tuesday, September 7, 2021**

EMDA is an academy-style management development program for aspiring and new managers or supervisors. The program goal is to provide participants opportunities to learn the skills necessary for the challenges they face in state service.

Eligible candidates are any new or aspiring manager. You may be nominated by a manager/supervisor or you may self-nominate.

Further information can be found on the DOA DPM [EMDA website](#).

Comments from past participants:

“Leadership is a journey rather than a destination. Participating in EMDA helped me learn that others are dealing with the same issues and there are always multiple methods and approaches to apply to any given situation.”

“EMDA has provided me the training I need to be a step ahead in preparation for becoming a Supervisor with the State. I learned so much about leveraging HR and Coaching. The training has provided me unique perspectives to place in my toolbox for use.”

For questions or more information regarding the program, contact the Bureau of Training and Development at DOADPMTraining@wisconsin.gov.
