Human Capital Management User Guide (HCMUG) Release 17-01

Release Date: 10-02-17

Effective Date: 10-02-17

Welcome to the new HCMUG. This guide replaces [STAR Job Aids](#) related to Human Capital Management functions in STAR. Non-HCM Job Aids will remain at that site. This guide is a work in progress and not all STAR HCM Job Aids have been converted. Over time, all HCM Job Aids will be incorporated into this guide.

During that time, if a Job Aid **has not** been converted, a placeholder page within the HCMUG will link to it. If a Job Aid **has** been converted, a link from the old Job Aid will link to the HCMUG.

See Section [1.1 How To Use This Guide](#) for an overview of the interactive features of the guide.

Future cover sheets will contain a summary of the changes made to each section.
