

STATE OF WISCONSIN
CLASSIFICATION SPECIFICATION

BOOKSTORE/MUSEUM GIFT SHOP MANAGER

I. INTRODUCTION

A. Purpose Of This Classification Specification

This classification specification is the basic authority under Wisconsin Administrative Code ER 2.04 for making classification decisions relative to present and future professional positions which function as Bookstore/Museum Gift Shop Managers. This classification specification is not intended to identify every duty which may be assigned to positions but is intended to serve as a framework for classification decision making in this occupational area.

Classification decisions must be based on the "best fit" of the duties within the existing classification structure. The "best fit" is determined by the majority (i.e., more than 50%) of the work assigned to and performed by the position when compared to the classification concepts and definition of this specification or through other methods of position analysis. Position analysis defines the nature and character of the work through the use of any or all of the following: definition statements; listing of areas of specialization; representative examples of work performed; allocation patterns of representative positions; job evaluation guide charts, standards, or factors; statements of inclusion and exclusion; license or certification requirements; and other such information necessary to facilitate the assignment of positions to the appropriate classification.

B. Inclusions

This classification encompasses positions located at a University of Wisconsin campus, the State Historical Society, or the Department of Veterans Affairs which are responsible for managing a bookstore or museum gift shop. Positions must meet the statutory definition of management, as defined in s. 111.81(13), Wis. Stats., and may meet the statutory definition of supervisor, as defined in s. 111.81(19), Wis. Stats., if the position supervises two or more full-time-equivalent (FTE) positions.

B. Exclusions

Excluded from this classification are the following types of positions:

1. Positions which do not meet the statutory definitions of management and/or supervisor, as defined in s. 111.81(13) and (19), Wis. Stats., as administered and interpreted by the Wisconsin Employment Relations Commission.
2. Positions which do not manage a bookstore or museum gift shop for a majority of the time.
3. Positions which assist in the management of a bookstore or museum gift shop for a majority of the time and are more appropriately classified as Bookstore/Museum Gift Shop Assistant manager.

4. A position located at the University of Wisconsin-Eau Claire which is responsible for the university bookstore, instructional resource rental department, and blue/gold card office, and is more appropriately classified as Retail Operations Manager-UW Eau Claire.
