OFFICE OF STATE EMPLOYMENT RELATIONS

- COMPENSATION & LABOR RELATIONS BULLETIN -

Date: September 16, 2013

Locator No: OSER-0339-CLR/TSA

Subject: Maximum Reimbursement for Lodging in
High-Cost Out-of-State Cities - Effective
October 1, 2013

The approved Travel Schedule Amounts include provisions to establish lodging rates in excess of \$70 per night for certain out-of-state cities. This bulletin is an update and replacement of the information contained in OSER-0312-CLR/TSA, dated September 12, 2012, which is obsolete as of October 1, 2013, and can be discarded on or after that date. **The attached listing of maximum permitted amounts for lodging in out-of-state cities is effective October 1, 2013.**

The amounts listed represent single-occupancy rates, without reflecting discounts. Lodging rates are for single-night stays in standard rooms and exclude all applicable sales and lodging taxes. Employees should attempt to receive government discounts (*only* for government business use). These amounts should not be exceeded except under the most unusual or unavoidable circumstances, which must be fully justified and approved by the agency head or designated representative. (Refer to Section F, 5.00 of the current Compensation Plan.) However, when the lodging rate is exceeded due to taxes, the taxes shall be reimbursed without additional justification. This exclusion does not apply to international rates. For cities not appearing in the list, rates for nearby cities in the same county may be used.

The maximum reimbursement amounts listed will be reviewed at least annually to determine whether they are adequate. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to OSER requests for review of specific rates. Publication of the next update of this bulletin is anticipated in September 2014.
