Subject: 2021 Wisconsin Retirement System Rate Chart

Attached is the 2021 Wisconsin Retirement System rate charts for the Department of Corrections. The information is presented in two different ways – a summary chart and agency-specific charts. **These contribution rates begin on the check payable January 14, 2021 (2021 Pay Period 1).**

The employee required contribution is 6.75% for all general, executive and protective employees.

The State Required Contribution (WRS Employer Required + Sick Leave Employer Contribution) is 7.85% for all general and executive employees and varies by agency for protective employees due to the differing duty disability rates. The State Required Contribution includes the sick leave rate of 1.1% for all employees for 2021. The sick leave rate was 1.2% in 2020.

WRS contributions will be taken on the first \$290,000 of WRS-covered earnings for all employees who are subject to the IRS Section 401(a)(17) annual compensation limit. The limit was \$285,000 for 2020.
